Dulles Says Pressures of Liberty Rising in Red Bloc

IRAQ TROOPS REPORTED IN NO. JORDAN

Beirut, Lebanon (AP)—Cairo radio and news agencies spread a report today that Iraqi troops had moved into Jordan, taking up threatening positions near Syrian forces encamped in the desert kingdom. The report was discounted in Syria and Israel.

The Egyptian Middle East News Agency said Iraqi troops camped near El Mafrag in northern Jordan, and that Syrian President Shukri Kuwatly had asked King Hussein of Jordan to try to avoid a clash between Iraqis and Syrians.

A reliable source in Damascus said King Hussein, in a telephone talk with Kuwatly, declared there was no truth in the report.

An Israeli Foreign Ministry spokesman in Jerusalem also said the Cairo radio had broadcast a report only in Hebrew, apparently for its effect on Israel, that an entire Iraqi tank division had rolled into Jordan.

Israeli intelligence sources in Tel Aviv reported, however, that 2,000 Iraqi troops had moved up to Jordan's border, presumably to assist King Hussein in keeping his throne, if need be. These sources (Turn to Page Nine)

Gruesome Slaying Of Two Girls Laid To Young Mechanic

New York (AP)—A husky young mechanic accused of the budgeoned murders of two women showed no emotion yesterday as a judge verbally lashed him in court.

Thomas Joseph Higgins, 22, was impassive as he was arraigned on a homicide charge in one of the slayings. His heartbroken fiancée Ann Elizabeth Tighe sat silently at the rear of the room in Brooklyn Felony Court.

Magistrate Albert D. Schanzler glowered at the blond, 220-pound defendant and said:

"Of all the most gruesome crimes conjured in a girl's hideous dreams, you are charged with the most macabre."

Meanwhile, police asked the Army for medical reports on the 6-foot-2½ Higgins. His father has said he had a brain operation while serving with the Army in Japan and had a history of fits before that.

Police nabbed Higgins Saturday on a tip from a man who lived in the same apartment building in the Bay Ridge section of Brooklyn.

Higgins quickly confessed.

Mighty Nuclear Era Dedicated To Peace Is Hope of Pope Pius

Vatican City, (AP)—Pope Pius XII has warned that the world has entered a nuclear age which could "unexpectedly become engulfed in storm."

But—his words carrying strongly over St. Peter's Square—the pontiff also promised in his annual Easter message there was hope for the development of a mighty nuclear era dedicated to peace.

More than 300,000 pilgrims, largest throng ever to listen to a papal Easter message, gave a tremendous cheer as the frail, 81-year-old head of the Roman Catholic church finished speaking from the central loggia of St. Peter's Basilica.

The piazza looked like white caps at sea as men, women and children waved handkerchiefs. Vatican radio and European tele-

Legion Egg Hunt Most Successful

The annual American Legion-sponsored Easter Egg Hunt, held this year at War Memorial Field, proved a most successful event on Saturday afternoon, with approximately 1,500 youngsters participating. The Weather Man turned in a fine job, by way of cooperating, keeping showers away and providing warm spring breezes and sunshine for the occasion. The hunt began with a scramble about two minutes ahead of the starting gun, when a sound similar to the starting signal came prematurely over the public address system. A check later indicated the "bang" was actually the slamming of a door in the pressbox. Tension ran high as youngsters made a rush to gather in the eggs, which disappeared as though a giant vacuum cleaner had been run across the field. Many were successful in locating the 680 prize eggs and were soon on their way to collect rewards from generous merchants and others who cooperated to make the affair so successful.

Egg Roll Is Staged on White House Lawn

Washington, (AP)—It was like Sunday in the park on the White House lawn today as hundreds of children brought their parents along for the annual Easter egg roll.

The attendance was reported a bit off, despite bright, sunny spring weather—probably due to the fact that the President and Mrs. Eisenhower are vacationing at Augusta, Ga.

But the children of all sizes, who came with baskets loaded with brightly colored Easter eggs, had a rollicking time.

Teamster Official Asks Dismissal Of "Spy" Indictment

Washington, (AP)—James R. Hoffa, midwest boss of the Teamsters Union, today asked dismissal of an indictment accusing him of conspiring to plant a spy on the staff of the Senate Rackets Investigating Committee.

Fatalities Mar Holiday In Pittsburgh District

Pittsburgh (AP)—Three fatal Easter weekend in the immediate Pittsburgh district.

Leon Rical, 32, of Cheswick, RD 1, died early yesterday in a two-car collision in Harmar Twp. Two other persons were hurt.

Edward Duckin, 27, of Sharpsburg, was killed Sunday when the car in which he was riding plunged over an embankment in suburban Etna.

Mrs. Evelyn Masula, 32, of Turtle Creek, died Saturday night from injuries suffered as her auto and another machine collided on the Penn-Lincoln Parkway near the Chestnut St. underpass. Four other persons in the second car were hospitalized.

vision network carried the Pope's words to millions. In the next few days the Easter message will be broadcast in 28 languages.

The Pope spoke at noon yesterday. His words coupled hope with warning—hope for the possibilities of a mighty nuclear age dedicated to peace and warning against its possible uses for war. He reiterated his 1956 Easter message blessing the peaceful uses of nuclear energy.

A mighty nuclear epoch, he said, is bringing wondrous things to man. But, in clear reference to war, he also said the might which surrounds the world "could also, even unexpectedly, become engulfed in storm."

The pontiff stood behind glass panels protecting him from a sharp wind. The clamor of applause rang over the square and beyond into packed side streets.

Budget and Leader's Program Hold Key to Adjournment As Legislators Return to Capital

Harrisburg, (AP)—Budget balancing and Gov. Leader's administration program appeared to hold the key today to adjournment of the 1957 session of the General Assembly.

The legislators return to work tomorrow after a week's Easter recess. A three-day session this week is in prospect.

Republican leaders have set June 1 as a target date for final adjournment, after balancing the state's 2.3 billion dollar budget through cuts and tying loose ends together.

But Rep. Albert S. Readinger, Democratic floor leader, said he doubted that could be done. He said July 1 was a more likely date for final adjournment.

In addition to the budget balancing problem, the status of Gov. Leader's self-styled "good government" program figured largely in the adjournment question.

The governor has been conducting a continuous campaign, seeking action on some 200 administration bills now hanging fire in Republican-controlled committees.

He had called a bipartisan conference on the program for Wednesday but later canceled it and expects to get together with Republican leaders this week to fix a new date.

In the Senate a long-range plan to reorganize the State Highways Department headed for a show-down vote with influential Republicans predicting its adoption.

The proposal would replace the present lone secretary with a three-member commission, serving staggered terms.

Storm Clouds Are Hovering Over Hard Hit Southern States

Storm clouds hovered over hard hit areas in the Southern Plains today after a weekend of violent weather in Texas.

Wet weather was indicated for many other parts of the country. The heavy rainfall over the weekend in Texas sent many rivers to near flood stage with warnings of overflows in lowlands south of Dallas.

Eleven tornadoes skipped across the Lone Star State last night, 10 of them striking in the Texas Panhandle and South Plains. An estimated 12 to 14 persons were injured and one man was reported killed.

The slide occurred at 11 p. m. Sunday. By this morning highway crews had managed to open a lane for one-way traffic.

The road skirts the Ohio river at the point of the slide, and a steep ridge follows for a number of miles on the north side of the road. Work formations overhang the road at some points.

State police said the driver was Frank Cannella, 27, of Uniontown, R. D. 3. An inquest will be held.

KILLED BY CAR Uniontown (AP)—Charles McIntyre, Sr., 72, of Uniontown, was killed last night by an auto on Route 40, two miles west of this Fayette County community.

State police said the driver was Frank Cannella, 27, of Uniontown, R. D. 3. An inquest will be held.

STASSEN WILL MAKE REPORT TO PRESIDENT

By MARVIN L. ARROWSMITH Augusta, Ga. (AP)—President Eisenhower will confer here tomorrow with Harold E. Stassen amid fresh indications the United States now sees some chance for agreement with Russia on a first step toward disarmament.

Stassen, Eisenhower's disarmament adviser, is scheduled to arrive by plane from Washington tonight. After talks with the vacationing President at the Augusta National Golf Club, he will return to London for resumption of disarmament negotiations by a U. N. subcommittee.

Recess of the negotiations for the Easter weekend brought Stassen to Washington Saturday for an interim report to Secretary of State Dulles and other administration officials.

White House press secretary James C. Hagerty said Dulles had recommended that Stassen make a personal report to the President.

That decision appears significant for two reasons.

In the first place, Dulles and Stassen obviously believe the status of the London negotiations (Turn to Page Nine)

Family Squabble Brings Death to Five Persons

Church Point, La. (AP)—A family disturbance erupted into a wild shooting spree yesterday and brought death to an estranged couple, their 14-year-old daughter and two policemen.

State Police Trooper F. J. Coe said the shooting was touched off by an Easter visit of Raphael Daigle, 37-year-old carpenter, to his estranged wife, Rena, 35.

Mrs. Daigle, their daughter Nettie, Police Chief Wilbur Landry and Asst. Chief Burley Cormier were wounded fatally at Mrs. Daigle's home, Comeaux said.

Daigle later turned his shotgun on himself and committed suicide, the trooper said.

City police said Daigle apparently went berserk during a talk over reconciliation.

Police reported a call from Mrs. Daigle's home asked for police protection, and Landry and Cormier responded. Police theorized that Daigle, who had been arrested before for disorderly conduct, was angered by the call and shot his wife, their daughter Nettie and the two policemen.

Four Dead in Crash of U.S. Air Force Box Car

Tokyo, (AP)—A U. S. Air Force C119 Flying Boxcar crashed on northern Kyushu Island today, killing all four men aboard. A helicopter searching for the wreckage also crashed in the rain, injuring three Americans aboard.

An Air Force spokesman said the bodies of the airmen had been recovered from the wreckage of the C119, which piled up while on a flight from the 483rd Troop Carrier Wing at Ashiya Air Base. The men aboard the search helicopter were hospitalized. There was no immediate word as to the extent of their injuries.

Ground parties found the C119 wreckage.

The Flying Boxcar smashed into the mountains 2½ miles south of the steelmaking coast city of Yawata.

Ancient Bi-Plane Makes Commemorative Flight

Pittsburgh (AP)—A bi-plane out of a bygone era of aviation—re-built at a cost of \$12,000—flew from Pittsburgh to Cleveland yesterday on a flight to commemorate the inauguration of air mail service between the two cities.

The plane, rechristened "Miss Pittsburgh," was piloted by Ray Gross.

Clifford Ball, Pittsburgh aviation pioneer who organized and operated the first commercial airline in Pittsburgh, was on hand for the ceremony. Ball also supervised the first air mail flight to the Ohio city in 1927.

Mrs. Blanche Noyes, whose husband, Dewey Noyes, piloted the plane on his history-making flight 30 years ago, christened the rebuilt plane. Mrs. Noyes also is a well-known aviatrix.

The Ball Airlines was the forerunner of Capital Airlines.

Corry Youth Dies Instantly In the First Highway Fatality In Warren County During 1957

Warren County recorded its first highway fatality of 1957 at 2:10 a. m. Sunday when a Corry man fell asleep and curled his car around a maple tree on the curve just west of Brokenstraw Creek Bridge on Route 27 at Pittsfield.

Victim was Calvin L. Warner, 22, of 317 Union Street, Corry. Coroner Ed C. Lowrey issued a certificate of accidental death, cause attributed to a crushed skull.

Warner was the second person to have been killed at that tree. Harold G. Erwin of Garland Furniture Company was killed at the same spot in a similar accident in February, 1949.

Investigating officials theorized that Warner fell asleep as he proceeded toward Corry. Officers Jack Krupey and Don Bailey said the 1957 Ford hardtop had side-swiped guard rails some 200 feet before the machine flipped as it crossed a ditch and bashed top-first into the tree. The car was almost bent double around the maple.

CALVIN L. WARNER A crowd of nearly 200 gathered at the scene. The victim was pinned in the wreckage nearly an hour until a tow truck pulled the car (Turn to Page Nine)

American Tourist Sucked Out Of Air France Plane While On Flight Over the Iraqi Desert

Paris (AP)—The parents of the American tourist who was sucked out of an Air France plane over the Iraqi desert Saturday night arrived here today aboard the same type plane on which their son was a passenger.

Mr. and Mrs. Thomas Nash of Memphis, Tenn., will leave tomorrow for Istanbul, where authorities are investigating the strange disappearance of their son, Jack Rodney Nash, 31.

Air France officials here said yesterday Nash—a bachelor with a passion for travel—was sucked out of the Super Constellation at 18,000 feet when a window near his seat burst.

Turkish police at Istanbul said, however, that the plane in which the accident occurred landed there with an escape door missing. Air France declined comment on that statement. Super Constellation windows measure approximately 18 by 16 inches.

Nash was on the last leg of an aerial round-the-world tour. No trace of his body has been found. Although airmen described the accident as extremely rare, an Air France spokesman in Paris said it was "not without precedent."

Friends in Memphis said Nash was an admirer of the late Richard Halliburton, noted traveler and author who disappeared at sea while trying to sail a Chinese junk from Hong Kong to San Francisco in 1939. Halliburton was a native of Memphis.

Massaging of Heart Is Credited With Keeping Man Alive

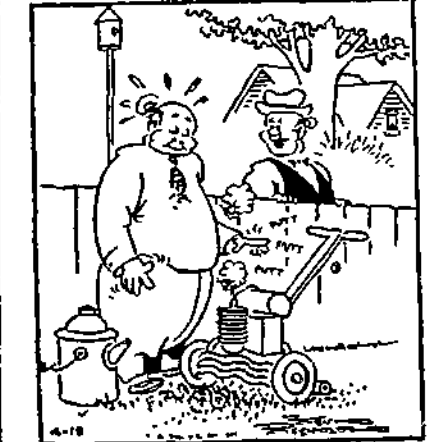

McKeesport, (AP)—A surgeon and three physicians at McKeesport Hospital twice massaged the heart of William Blakley, 51, over the Easter weekend to keep the unemployed steelworker alive.

Blakley was taken to the hospital Saturday night by his son after he suffered what doctors later diagnosed was a coronary occlusion. He collapsed while undergoing a medical examination.

A McKeesport surgeon, who asked that his name not be used, said Blakley's heart stopped beating, his pulse stopped and his blood pressure fell.

After a consultation, an emergency operation was performed. Blakley's heart was massaged for a half hour before it resumed its natural beat. Shortly after the incision was closed the heart stopped again.

The incision was reopened and massaging resumed. The treatment was continued for another half-hour and Blakley again responded. He was reported in serious condition.

MAJOR TALK DELIVERED BY SEC. OF STATE

New York, (AP)—Secretary of State Dulles bluntly told Russia today that the United States seeks "the liberation of the captive nations." He said "the pressures of liberty are rising" within the Soviet bloc.

In an address prepared for the annual Associated Press luncheon, Dulles also appealed to Congress and the American people to preserve the administration's foreign military and economic aid programs against those with "a zeal to economize." He evidently referred to some members of Congress.

He also expressed confidence that Soviet "threats," such as have recently been directed against Allied nations in Europe because of their membership in the Atlantic Alliance, "will not disintegrate" the collective defense systems of the free world.

Dulles' address had the full advance approval of President Eisenhower, who read it at his Augusta, Ga., vacation headquarters. Press Secretary James C. Hagerty said Eisenhower also had discussed it by telephone with Dulles.

The address was Dulles' first major review of U. S. foreign policy since last fall, and also his first speech of Eisenhower's second term.

In describing the "pressures of liberty" which he said are rising within the Soviet bloc, Dulles said there is increasing demand for greater personal security, freedom and economic benefits within Russia, that international communism is beset with "doctrinal difficulties" and that the "cruel performance of Soviet Communism in Hungary" had led many Communist party members throughout the world to desert Communism.

In the satellite countries, he said, Russia no longer has the "submissive source" of military strength. In fact, he asserted, "Soviet strength, both military and economic, has now to be expended to repress those who openly show their revulsion against Soviet rule."

Dulles also made these other major points:

Mayflower Replica Sails Out of Sight Of English Coast

St. Keverne, England (AP)—Mayflower—replica of the Pilgrim fathers' ship—sailed out of sight of the English coast today as she headed for the United States.

Soon after dawn, the little wooden sailing vessel was spotted by the coast guard 15 miles out from the Lizard, southernmost point of England's coast. Half an hour later she was out of sight.

Coast guard officer William Knight said, "On her course she has seen the last land until she approaches her destination."

The ship left Plymouth, England, Saturday, bound for Plymouth, Mass. For more than 24 hours she dawdled in the English Channel with hardly a breath of wind to fill her sails.

Skipper Alan Villiers, Australian seafarer, hopes to land the ship in Plymouth in about six weeks. He has said it all depends on weather conditions in the Atlantic. There is a crew of 32 aboard.

State Has Warmest Easter In U. S. Weather Bureau History

Churches spilling parishioners into aisles, young ladies strolling along in Easter finery and highways clogged with post-prandial drivers marked one of the most beautiful of Easter Sundays yesterday.

Temperatures hovered in the sunny 70s with a high of 75 reported at 3 p. m. Low temperature was 59.

The glory of the day brought out drivers who hadn't moved since last Labor Day and the usual toll of trouble will be found under another heading.

Many home owners also surveyed lawns which showed every indication of giving trouble all during the summer growing season, just as they always have.

Other parents were busy carting around juniors who were fortunate enough to secure prize eggs at the annual scramble Saturday sponsored by American Legion.

Tremendous Effort and Push to Assure Success of the Older Boys' Conference This Week

The Warren Older Boy Conference which is to be held in Warren Friday, Saturday, and Sunday, April 26, 27, and 28, has a very hard working and energetic group of personnel behind it, composed of boys from Warren. The tremendous effort pushed forward by this teenage group, should bring about the greatest thrill-packed, exciting, interest provoking and stimulating conference any boy could ask to attend.

Due to the size of the wheel of affairs, a strong hub of personnel was selected. The following boys are to be congratulated for their great effort bringing success to the conference: Bob Burke, coordinator of the program; Bill

Elmhurst, preparations coordinator; John Aldrich, personnel; Ralph Caldin, signs and prizes; Alex Sommers, newspaper; Dick Trevenen, chairman of Friday banquet; Dick Rosenquist, special effects; Bob Yerg, publicity stunts; Larry Keefe, special operations and special effects; Jerry Alexander, John Barr, Jimmy Wilson, and Arch Hunter.

Due to the large number of boys working, some names might have been overlooked but these boys have put in many hard, long hours to make this conference a well-remembered affair for all concerned, also.

Larry Weilacher is chief of newspaper publicity and news releases and is special reporter to the Times-Mirror.

Safe Driver Awards Given Sugar Grove RD Mail Carriers

Sugar Grove—Postmaster H. A. Rathbun, of the local post office, presented National Safety Council Safe Driver Awards to the following rural carriers and substitutes in special ceremonies: Harold Edin, Alden A. Stearns, Arthur Cody and Gerald W. Younie.

This award is recognized as the nation's highest honor for accident-free driving performance and attained only by those who have demonstrated they are careful and skilled drivers.

The carriers so honored drove an approximate total of 30,000 miles during 1956 without an accident.

The annual meeting of Sugar Grove Free Library Association will be held at the school auditorium at 8:00 p. m. Thursday, Sallie Weiler, 1956 Youth Ambassador, will be the speaker and all in the community, including high school students, are invited.

The annual membership drive for the library is being conducted by the Reading Club, with Mrs. J. A. McIntosh the chairman.

Christine Stuart entertained 13 girls for an Easter party at her home, Mrs. Robert Morgan assisting the mother of the hostess. Mrs. Scott Stuart, Jr. After a period of games, for which Donna Sweeney won the prize, the group adjourned to the home of Miss Christine's grandmother, Mrs. Scott Stuart, Sr., where they enjoyed refreshments at an Easter table. Guests were Lillian Lester, Beverly Abbott, Carlene Devereaux, Deborah Morgan, Jane Carlson, Donna Brown, Karen Conboy, Sharon Carlson, Tanya and Lorren Stewart, Beverly Engstrom, Jane Russell, Donna Sweeney.

The annual father and son banquet of the Methodist church will be held at 7:00 p. m. when entertainment will be provided by the Rev. Donald Struchen, Meadville magician.

Pre-School Registrations In Pleasant Township

Pre-school tests and registration will be held at Pleasant Township School from 1:00 to 3:00 p. m. Thursday for those children of the township who will enter first grade in September.

All children who will be five years and seven months of age before September 1, 1957, are eligible to enter school, providing tests show the required degree of maturity and ability to do first grade work. No child will be enrolled until tested.

Parents should accompany their children and are asked to bring the child's birth (not hospital) certificate, also a vaccination certificate.

IS IMPROVING
Mrs. Raymond Warner and son, Jim, of Stoneham, returned home Sunday from Phoenix City, Ala., where they were called by the illness of her father, Hugh Olsson, of Warren. His many friends will be pleased with the news that his condition is improving.

SERVICE AT DRIVE-IN
Titusville Herald: The first annual sunrise service sponsored by the City-Wide Youth Council yesterday at the Drive-In theater on Route 8, was attended by about 300 persons, 200 of whom were adults. The message was given by Rev. J. C. Cameron of St. Paul's Reformed Church. Particularly effective were the selections by the brass sextet and the singing of "Were You There" by the selected high school chorus. Following the service, 80 young people attended the breakfast served at the YMCA. The Youth Council voted to retain the \$35 collected in the offering in the treasury to apply to any expenses for the service next year.

HIKES GASOLINE PRICE
A release from Philadelphia says Sun Oil Company effective April 19th increased its tankwagon (wholesale) price of gasoline in varying amounts throughout Pennsylvania, ranging from seven-tenths of a cent a gallon in Philadelphia and adjacent counties to one and one-half cents per gallon in Western Pennsylvania. The price change was made to meet competitive conditions. The company said. The new posting of 16.1 cents per gallon in Western Pennsylvania is the same as on January 12 when the price was raised to reflect an increase in crude oil prices. The new posting of 15.3 cents per gallon in the Philadelphia area is seven-tenths of a cent under the January 12 price. Both figures are exclusive of state and federal taxes totaling nine cents per gallon.

PITTHOLE WELL LOOKS GOOD
Titusville Herald: A new oil well in Pitthole region territory which has not been touched by a drill for about 50 years looks good to the Morrison Brothers, Jack and Joe, Red Valley sand, 17 feet thick, was drilled through Thursday. Not only was considerable oil present, but such a large flow of gas that fires around the rig had to be extinguished. The top of the Red Valley was reached at 607 feet. The drill is now on the way to the Second Sand, 60 feet below the bottom of Red. The well is the first modern one in that section. It is about 300 feet from an oldtimer. The Morrisons have not had a dry hole yet in three or four years of drilling. They own about 2,000 acres in territory which is pierced by the Plummer-Eagle Rock road. Most of it is in President Township, Venango County. The new well is about two airline miles south of the site of the ghost town of Pitthole and is east of Pitthole Creek.

Bill To Raise Fish License Fees Hits Snag in Committee

Harrisburg (P) — A bill that would raise the state's fishing license fee to \$4 appeared stalled today in the House Fisheries Committee.

"There doesn't seem to be any enthusiasm at all for this bill among members of the committee," said Chairman Clarence G. Stoner (R-Cumberland).

"We don't have enough support at this time to pass the bill. I've personally taken polls to see how many of the fellows are in favor of it. There doesn't seem to be any support at all other than that from sportsmen's groups."

Asked about prospects of the measure getting out of committee, Stoner said:

"I would say it depends on the committee's feelings in the next two weeks. I'm looking for a change of sentiment but so far there hasn't been any enthusiasm."

Meantime, the Pennsylvania Federation of Sportsmen's clubs pressed a grass roots drive among its 180,000 members to muster support of the bill.

J. William Shilling, federation legislation chairman, touched off the campaign in a bulleting sent to division and county sportsmen club leaders and to the federation's 968 affiliated clubs secretaries.

NOTES ON OLDER BOY CONFERENCE

The Older Boy Conference leaders are "importing" several prominent, high calibre youth leaders to be speakers during the event-filled conference days of April 26, 27 and 28. These men will be joined by some of Warren's outstanding citizens interested in youth. These men are especially interested in the future of youth and have already put much time in preparing material for the discussion groups they are to guide.

The out-of-town guest speakers will be Marc Marks, noted attorney who defended the Joseph Swartz case which gained much notice last year, from Farrell, Penna., Rev. Larman Sherwood, a noted minister and youth speaker from New York City, Wayne McDonald, the World Service Secretary of the North American Association of Y. M. C. A.'s from New York, and Mr. Charles Soleau, former star football athlete from Pittsburgh.

The gentlemen from Warren who will be guest speakers are Matthew Hossie, Assistant Principal of Warren High School, R. Pearson Eaton, Harry Summers, director of instrumental music at Warren High School, Dr. William Walters, and Carl Harrison, guidance counselor and social studies teacher at Beatty Junior High.

A more complete write up of the out-of-town speakers will be presented in a future article.

Boys will have an opportunity to attend other groups they might have missed before.

On Saturday morning there will be a brief Methodist church under the be a brief devotional period in the direction of Warren Carr and assisted by Dick Aldrich and Dick Reynolds. Following this, the discussion groups will meet.

LIONS' MEETING
Guest speaker for the Tuesday luncheon-meeting of Lions Club, 12:10 p. m. in the YWCA activities building, will be Clare Lowe, Venturatown, who will present some of his impressions of life in Australia. Local Broadcaster Takes Post With WCAU Philadelphia

Michael D'Angelo, Jr., above, son of Mrs. Ellen D'Angelo, of 24 Buchanan street, Warren, will join the news staff of WCAU-AM-FM-TV, Philadelphia, effective May 6th. D'Angelo is presently employed by Radio Station WCOJ, in Coatesville, as news editor of the station's studios in West Chester.

Recently separated from the U. S. Army, D'Angelo served with the Armed Forces Radio Service as producer-director in Seoul, Korea and Tokyo, Japan.

A 1954 graduate of Allegheny College, D'Angelo was selected as Pennsylvania's first Community Ambassador representing the City of Meadville, and was sent to Finland in June of 1954.

He was previously associated with WMGW, Meadville, as news director and announcer; WWHG, Hornell, N. Y., and WNAE, War-

ren. He is a graduate of the National Broadcasting Company's Radio Institute, held at WMAQ, Chicago, in 1949.

Pennsy Railroad To Print Schedules In Daylight Time

An Associated Press dispatch from Philadelphia says the Pennsylvania Railroad has announced an innovation designed to eliminate a lot of extra waiting in its waiting rooms this summer.

For the first time, starting April 28, the railroad will use Daylight Saving time on all its public time tables, station clocks, bulletin

Troopers Total 551,825 Miles On Turnpike Patrol in March

By BOB HOLTON

Harrisburg, (P)—The combined mileage of state police cars patrolling the Pennsylvania Turnpike last month could have sent one of them around the world nearly 23 times.

The 151 troopers assigned to the toll road drove their cars 551,825 miles in routine patrolling during March, state police commissioner Earl J. Henry said. The earth's circumference at the equator is 24,902.39 miles.

"All of this expense is paid to boards, train gate signs, reserved space, tickets and station loud-speaker announcements.

Trainmen themselves will continue to follow standard time on the more detailed operating time tables used by railroad employees, J. Benton Jones, PRR vice president said. He explained this was to meet provisions of the Standard Time Act, which requires all interstate public transportation to observe Standard Time.

But as far as the public is concerned, there should be no more occasion for that made dash to the station for a 2:15 train, only to find that the wrist watch says 2:15 and the station clock only 1:15, with an hour to wait for the train. Until Oct. 27 on the PRR all the times for the customer will be Daylight Saving.

Nearly all territory covered by the Pennsylvania tracks operates on Daylight Saving time. For certain terminals where it connects with other railroads serving standard time areas of the South and West, the public timetables will show arrivals and departures in both times.

the state police department by the Turnpike Commission," Henry told a newsman. He said the commission pays the salaries and other expenses of troopers assigned to the more than 450 miles of super-highway.

A check of state police records showed that during the past 22 months, the commission paid \$1,757,230 for state police patrolling and other trooper services.

"A good portion of this figure was paid on a mileage basis for state cars used to patrol the highway," Henry explained.

"As the road grows, so does the cost of patrolling it by the state police," he added.

The cost of patrolling the road, records showed, increased from \$63,783 for the 1941-42 fiscal period to \$892,719 for the 1955-56 period. For the first 10 months of the current fiscal period, the commission already has paid \$892,719 for this service.

"We have estimated that the patrolling cost for the next two years will run about \$2,166,000 and as more sections of the roadway are opened, the cost will rise," Henry said.

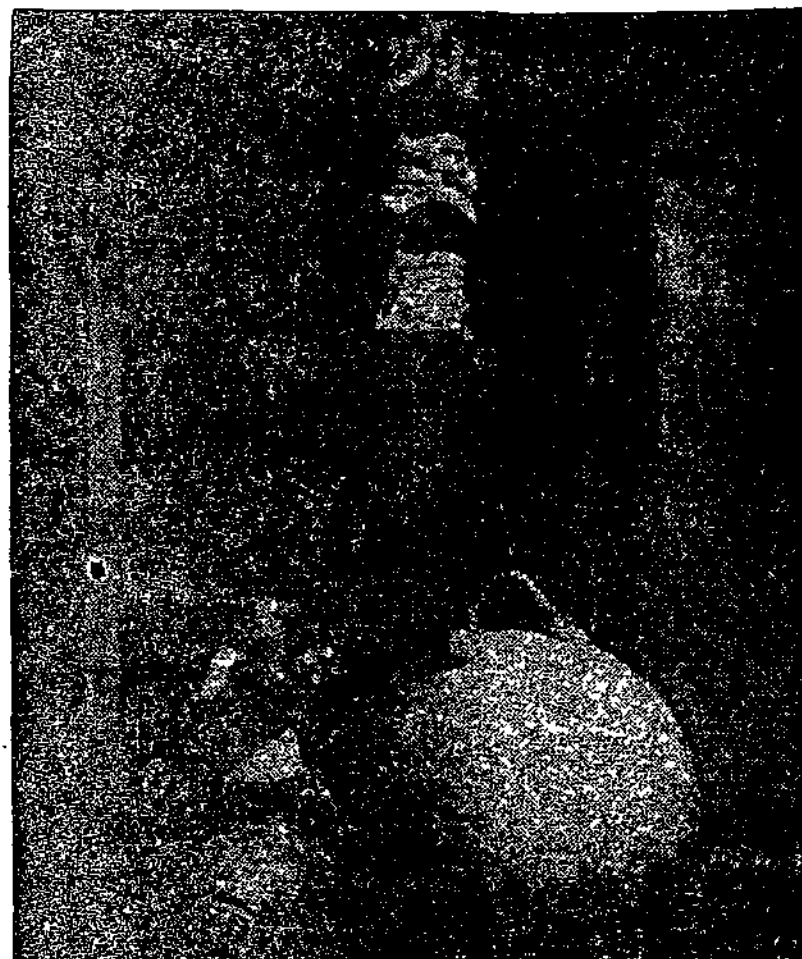

The state police department assigns men to the toll road after a commission request is approved by Henry.

Under law the state police force is not allowed to exceed 1,900 men. This does not include those assigned to the turnpike.

"When we assign men to the turnpike, we don't lose personnel for other duties because these men are not counted in our maximum quota," the police head explained.

The turnpike operation is financed through bond issues and tolls.

7,000 Miles To Set Off Fireworks

Boy Gazes In Wonder At World's Largest Rocket Shell. The first U. S. World Trade Fair at the Coliseum, New York, this spring is being ushered in with a vast and dazzling fireworks spectacle along the Hudson River. Toshio Ogatsu, the pyrotechnician who designed the display specially for the Fair, traveled 7,000 miles from Japan to light the fireworks, among them a 300-foot high replica of Niagara Falls.

Mr. Ogatsu is the twelfth direct descendant of the firm bearing his name. Over 250 years ago, his ancestors entertained the feudal lords with fireworks.

Two and a half tons of fireworks have been presented as a goodwill gesture by JETRO (Japan External Trade Recovery Organization), with headquarters at the Japan Trade Center, New York, to the people of New York in connection with the Fair at the Coliseum. Japan is exhibiting thousands of her finest quality products in 92 booths.

Japan today is the most industrialized nation in the Far East. She is herself now the largest single buyer of U. S. agricultural products, and purchased in 1956 far more merchandise than she sold to the United States.

More than 580 of Japan's commodities must now pass rigid tests for export, and standards of quality are set for 396 products. They range from highly sensitive electronic equipment to chemicals and cultured pearls, from scooters, bicycles and cameras to the finest microscopes in the world.

Examples of all of these will be on display at the Coliseum. Traditional simplicity is com-

Number Accidents Are Reported In Area Over Easter

A number of other accidents occurred during heavy Easter week-end traffic besides the fatality which claimed a life early Sunday.

A freak affair took place at 1:15 p. m. Saturday at the intersection of Routes 61030 and 62, five miles west of Youngsville. The left rear trailer wheel of a trailer-truck broke loose and twirled into a station wagon waiting at the intersection.

Driving the truck was Daiton W. Silvis, 32, of Leeper. The other operator was Donald J. Wells, 33, of Kinzua. Damages to both vehicles were placed at \$250.

This morning at 8:55 a mishap involved a panel truck and a convertible at the corner of Hickory street and Pennsylvania avenue. Clarence Hullman, 48, of Shipman's Eddy was heading west on Pennsylvania avenue and Geraldine Dietrich Nelson of 213 Biddle street was swinging south off Pennsylvania onto Hickory Street. Bridge Truck damages were estimated at \$200, convertible damages at \$350.

Saturday evening David Hudock, about 20, of 105 North South street, rolled his car over near the Akeley church as he was driving toward Russell. Damages were not estimated.

A Jamestown group of five was badly shaken up Friday when their car ditched and rolled near Russell. Operator was Robert Ricker. Along for the ride were his three children, Lynn, Dennis and Dale plus Patrick and Donna Collettini.

At 12:15 p. m. Sunday A Hugo Carlson, 72, of 306 Jackson Avenue and Harold Bittenbender, 26, of RD 2, Clarion, were both trying to occupy the same spot on Jackson avenue as Carlson attempted to swing into his driveway. Total damages amounted to \$25.

Rounding out the rest of the area accident picture was the death of Laverne Piechlt, aged 24, who recently moved to Johnsonburg from Daguscahonda near Ridgway. He died in Kaul Memorial Hospital at St. Marys Friday night three hours after his motorcycle left highway 120 five miles south of that place. Riding tandem and critically injured was Fred Gardner 19, of Daguscahonda.

Medic Says Heart Condition No Deterrent To Motherhood

Boston (AP)—Heart disease need not be a deterrent to pregnancy, and "virtually all" women with heart conditions can safely undertake having a baby, in the opinion of a Harvard medical school doctor.

He said, however, that he was "prepared to retreat" from the latter broader statement—presumably if evidence contrary to his own experience were presented and outweighed it.

Dr. James Metcalfe voiced the view in an interview after he and Dr. C. Sidney Burwell, also of Harvard, reported to the American College of Physicians on results of a six-year study of pregnancies among heart-diseased women.

They said there were 320 pregnancies among 276 such women observed in the study carried on at Boston Lying-in Hospital and that only three deaths occurred from heart disease in the six-year period.

Eighty-five per cent of the women had rheumatic heart disease; 12 per cent had congenital heart trouble; and the remainder had miscellaneous heart conditions.

"We've seen patients with all degrees of severity of heart disease go through pregnancy successfully," Dr. Metcalfe told a reporter.

He said pregnancies in heart-diseased women should be cared for on an individual basis, but that in general, the key rules involve:

1. Controlling activity of the patient.
2. Reducing the intake of salt.
3. Controlling anemia, overweight and infections.
4. Give early and continuous care.

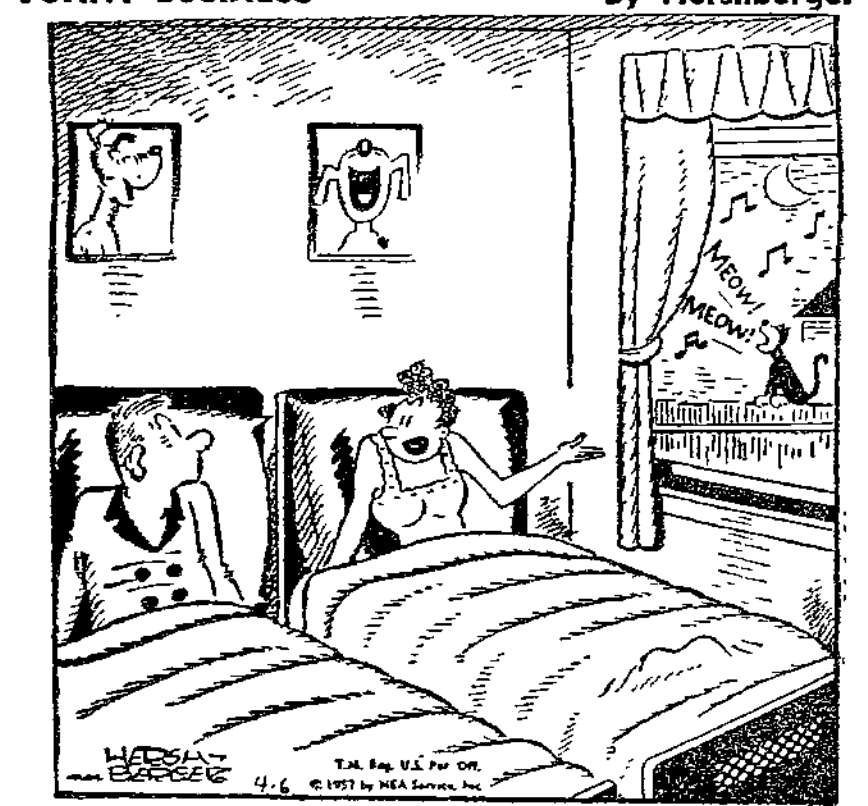

He said that in the Harvard series of cases, only three of the 276 women required "prolonged" rest in bed either at the hospital or at home during their pregnancy, although he said "many" of them were brought into the hospital for a few days from time to time to evaluate their condition.

Having a baby while afflicted with a heart condition, he said, requires balancing the heart's budget, just like a woman balances the family economic budget.

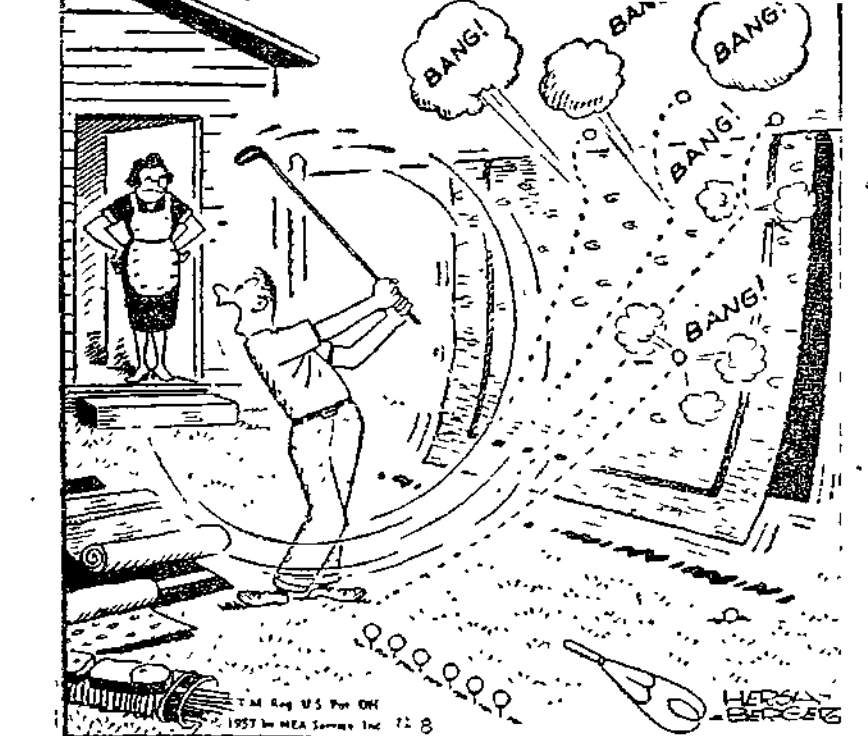

"She must remove some of the other loads she has—such as the load of high activity—in order to make a place for pregnancy," he said.

And she and her doctor should try to straighten out any "emotional upsets" to which she might be subject.

WILDLIFE NOTES

Beaver Season Catch

During Pennsylvania's 1957 beaver season, February 14 to March 11, 2,913 pelts of the flat tails, trapped in the Commonwealth were sealed by Game Protectors.

The large fur animals, called "engineers of the wild," were taken in 44 of the 67 counties in the Commonwealth. Crawford led the list again, with 350. Wayne county was second with 267, and Susquehanna followed with 178. Other counties showing a catch of more than 100 were: Bradford, 166; Elk, 135; Erie, 120; Luzerne, 105; McKean, 135; Potter, 161; Sullivan, 153; Tioga, 170; Warren, 112; and Wyoming, 108.

Though the low fur prices reduced the interest in trapping for beavers the record shows little variance in the annual catch in the last five years. The average has been about 3,100 in those seasons. The tabulation shows the take as follows in the trapping periods beginning four years ago: 1953—2,934 beavers; 1954—3,459; 1955—3,176; 1956—2,973; and 1957—2,913.

Plant and Plan Game Assistance

Game birds and animals are largely dependent on natural foods and vegetative cover for sustenance and protection. But because of conditions these days it is often necessary for man to supplement nature's sometimes inadequate provisions for food and cover.

Sportsmen, farmers and youth organizations often combine forces with the Game Commission and other conservation agencies to make more of these necessities available to wildlife, thereby improving the supply of game.

Now is the time for planting food-producing trees, shrubs and vines, and in some cases field crops. Also it is not too early for sportsmen's organizations to plan with farmer friends to provide

food plots and escape cover for wildlife.

"I put up three of the improved metal wood duck nesting homes south of the dam breast at Brady's Lake," reports a Monroe County Game Protector, John Spencer.

"Every time I pass the location in the morning I see a pair, or pairs, of wood ducks on the water near the man-made homes. If the substitutes for hollow trees are not used by woodies this year I will be disappointed," says Spencer.

Feeders Help Other Wildlife

"Feeders elected to help wild turkeys through severe winter months undoubtedly provide food for many kinds of wildlife," says Game Protector William E. Fulmer, Carbon County. "Among these birds and animals are: deer, rabbits, squirrels, snowshoe hares, raccoons, opossums and skunks. The last-named dig among the corn cobs beneath feeders for insect life."

"Also, there are grouse, ring-necked pheasants occasionally, mourning doves and various types of song and insectivorous birds. Several ducks have made a path

Inspection Committee Reports Boy Scout Camp in Good Shape

Members of the Boy Scout Camping Committee found Camp Olmsted in excellent condition, at the annual inspection held last Saturday. Es. Koebley, Hadsal Wright, Earl Mohnkern, and Fritz Reider, accompanied by Field Executive Richard Bauer and Scout Executive Elmer Morgan inspected the buildings and facilities, and listed repairs needed before camp opening.

Minor repairs on the water system, and completion of the rewiring of the camp will be top priority items. Many minor repairs will be done by Scouters during the week-ends between now and the camp opening.

A site was selected for the construction of the new Troop Camping Lodge. Application forms for the use of Camp Olmsted or Jeffmore, or for short camps elsewhere were checked and approved.

A busy schedule for Camp Olmsted is planned. On May 11 a Baden-Powell Conference is planned,

which will be a training course for Scoutmasters and patrol leaders of units planning to attend the camporee on May 24, 25, and 26 at Camp Olmsted. May 17 and 18 the Order of the Arrow will have its Spring Meeting at Olmsted and will induct new members, and undertake projects to improve the camp.

From June 30 to July 14, the camp will be used by a church group which will be conducting a daily vacation Bible school on the Seneca Reservation.

The Boy Scout camping season will extend from July 14 to August 18. The week-end following camp closing, Area IIIB Order of the Arrow will meet at Camp Olmsted with 300 Explorers in attendance.

Week-ends throughout the period, work bees will be under way to prepare the camp for this busy schedule.

TRADITIONAL EASTER
Christians in Warren as well as throughout the world taking advantage of ideal weather conditions celebrated the joyous holiday of Easter in traditional manner Sunday.

Press dispatches say millions of worshippers joined the throngs that filled churches in cities, towns, and villages, to pray in the name of the Prince of Peace.

In old Jerusalem, because of the atmosphere of suspicion and hostility which grips the Middle East, only hundreds instead of the usual thousands of pilgrims took part in the ceremonies.

In Rome, Pope Pius XII gave his annual Easter message to the world. For the first time the pontiff's message was televised for Europe.

In the United States, as in Warren, regular church services were supplemented by sunrise ceremonies. For the small children, it was the happy day to find the brightly colored eggs and Easter bunnies. For their sisters and mothers, it was the day to don new spring finery for the Easter parades after church.

All in all, so far as Warren is concerned, it was a wonderful Easter weekend, perhaps unsurpassed in the memory of local participants, including local retailers who were delighted with the favorable weather that prevailed both Friday evening and Saturday, after weeks of unseasonable conditions that discouraged early spring buying.

Area residents took full advantage of the fine sunshine that followed a few early morning showers yesterday, with the highways experiencing the first big outpouring of the season. Many took walks in the woods, and there were motorboat enthusiasts on the river, along with one youngster in a single-masted sail boat.

MEDICAL EDUCATION WEEK
This is Medical Education Week. Its purpose is to focus public attention on the situation confronting one of the nation's vital national resources: its 82 medical schools.

With the rapid advance of the medical sciences in recent years, the medical schools have accepted—or had thrust upon them—responsibilities far beyond their resources.

The very medical progress of which we are all so proud—and for which the medical schools are largely responsible—has involved them in a struggle for solvency that threatens the future development of their training and research programs.

All over the country people are calling for more doctors, more research and more health services. But the overtaxed medical schools are finding it difficult to keep up with current obligations, let alone expand.

Besides training the largest undergraduate medical student body in their history—28,640—they are providing instruction for nearly 60,000 other students: interns and residents, practicing physicians, specialists and dental, pharmacy and nursing students.

In addition they are conducting \$60 million worth of research projects; providing free medical care for more than 2,000,000 men, women and children; and furnishing leadership and guidance for thousands of health organizations, institutions and government agencies.

It is no wonder then that the chief headache of medical schools today is lack of funds.

Medical Education Week, while not a fund-raising venture, coincides with (1) an appeal to corporations by the National Fund for Medical Education and (2) a public education campaign of the Advertising Council on behalf of higher education in general.

Corporations in large numbers are already contributing to medical schools through the Fund. This is enlightened self interest of a high order and shows the rise of a new concept of corporate citizenship.

Medical schools are the foundation of our entire health and medical structure. By helping to strengthen this foundation, corporations are earning the thanks of every American.

Here and There

George F. Haehn, who was a member of the borough police department for 29 years until he retired in 1950, and chief of the force for about 22 years following the retirement of the late Marty M. Wholeben, is in town greeting old friends after about ten months of residence in Denver, Colo. Since he decided last summer, with his good wife Frances, to "go west" and make his home near his daughter and family, Mr. and Mrs. George Sherwood Miller, and children, twins Judith and Dianne, and Mary and George, the ex-chief survived a serious illness which hospitalized him in Denver for several months. He is back looking robust and as active as ever, living proof that his recovery is complete. George made the trip east by train, but is considering air travel from Chicago when he rejoins his family at a date that is still uncertain. He is presently the guest of his cousin and wife, Mr. and Mrs. Eugene Clancy, at Garland, but spending most of his time in Warren. He reports that his son-in-law "Sherry" Miller, is assistant chief pilot with Continental Airlines, engaged chiefly in training and testing for the company. He says Continental is planning in service April 28th the new

passengers at 575-miles-an-hour luxury, the Boeing 707 will offer the ultimate in comfort at high smooth-flying altitudes." This plan will cut the flying time between Los Angeles and Chicago 3 hours and 21 minutes. What we started to point out is that our own Sherry Miller, who has an enviable reputation as one of the outstanding pilots in the country, will play an important part in these developments of Continental. Incidentally he was with the plane that flew to the rescue of a train marooned in a Kansas snow storm recently.

Easter in Warren sixty years ago is described rather tersely in a paragraph which appeared in the "Brevities" column of The Evening Democrat, April 19, 1897, as follows: "The parade of Easter bonnets Sunday morning was not so noticeable as it might have been. About the only excitement in the city during the Lenten period was occasioned by the millinery openings and it was expected that hundreds of beribboned and be-feathered hats and bonnets would fall into line on the churchward march Sunday morning. Well, whether it was because husbands are less generous and loving than in former years, or that the day was not in keeping with the millinery that was really bought for it, or that the wearers of the good looking hats prefer to spring them on a day when every woman in church is not making comparisons between the hat worn by the woman in the third pew front with that one just across the aisle and pantomimically expressing her choice by nudging and kicking her companion because it is not good form to wear Easter hats on Easter, we cannot satisfy ourselves, but certain it is there was a decided lack of the pretty things yesterday."

Says another item in the sixty-year old paper that makes timely reading today: "There is one bicycle firm in Warren that has disposed of wheels enough this season to supply all the physicians, clergymen and lawyers in the city, and they now have a stock on hand the sale of which would bring them nearly \$5,000! It requires considerable of a capital to carry on a business of this kind and to make it successful the secret is advertising. It will be noticed that the dealers who are advertising are doing the best business. x x x The National Bicycle Circuit Races to be held in Warren in July will be one of the biggest bicycle meets in the nation this summer. The circuit starts in New Orleans and before it reaches Warren meets will be held in Savannah, Cincinnati, St. Louis, Chicago, Dayton, and Columbus. Cities to follow Warren will be Erie, Fredonia, Rochester, Syracuse, New York and Philadelphia."

Too many cooks may spoil the broth—but not the barbecued chicken. That's the philosophy behind a school for eager barbecuers to be held May 22 at Camp Fred L. Rantz, the YMCA Camp located on Route 108, 12 miles east of New Castle. The "Barbecue Clinic," as it's called, was announced this week by Lewis C. Dayton, Lawrence County Agricultural Agent who is working with the sponsoring organization, the Northeastern Poultry Producers Council (NEPPCO). The one-day course is designed to train folks to whip up a full scale chicken or turkey barbecue with all the trimmings for groups of 10 or more persons. Students will demonstrate their newly acquired knowledge by putting on a wind-up barbecue for the instructors. "Whether you want to learn the barbecue busi-

Washington Letter

BY PETER EDSON, NEA Washington Correspondent

WASHINGTON—(NEA)—It took a "businessman's administration" to give the U.S. postal service its only "lost weekend" in history.

But restoration by Congress of the 40-odd millions of dollars to run the Post Office Dept. full time from now to next June 30 by no means solves the problem for the coming fiscal year.

Nor should anyone get the idea that restoration of this money will enable the PO to break even this year. It will show an estimated deficit of over half a billion dollars. That is, postal receipts from the sale of stamps will lack that much of paying PO costs.

For next year this deficit will be 650 million dollars. The principal reason is that 473 million dollars' worth of new costs are being piled on the postal service. This is done by act of Congress—without any increase in postal receipts.

Pay increases of 207 million will go into effect. Range benefits will add another 59 million. Government contributions to pension funds will take 132 million more. Railway mail pay will go up 28 million. And new equipment to provide more service for a growing population and expanding economy will cost 47 million.

THE ONLY SOLUTION for this situation which Postmaster General Arthur Summerfield has come up with is to raise postal rates to make the PO Dept. self-sustaining. He has been recommending this for four years, as his predecessors did before him.

Congress has always refused to buy this line. The idea that the postal service should be subsidized so as to provide the people with cheap mail rates has taken a firm hold.

Legislation is now before Congress to increase first, second and third class mail rates to bring in an estimated 525 million dollars a year. But even this would leave the PO 125 million dollars in the red.

SINCE THE BIG hullabaloo over the weekend curtailment of service, there has been considerable guff put out about how much better western European postal services are than our service. The contention is that the Europeans get more deliveries per day and that their services pay their own way.

The facts of this situation are that in half a dozen western European countries—Belgium, France, Germany, Norway, Sweden and Switzerland—letter mail costs from 4.2 to 4.8 cents.

These countries all have smaller areas to serve and shorter distances to haul their mail than in the United States.

WHAT REALLY SHOOTS UP U.S. postal costs, however, is the difference in pay scales for postal employees. European letter carriers get from \$1,200 a year in Germany to a little over \$1,800 in Sweden and Switzerland.

The average U.S. mailman gets \$4,400 a year. This is base pay. It does not cover uniform allowance, 13 to 26 days leave a year, 13 days cumulative sick leave a year, and a pension.

A U.S. postman can retire at age 60 after 15 years' service, or after five years if disabled. A mailman retiring at 60 after 30 years' service gets \$2,300 a year pension—more than the European postman gets for working.

Since 1945, all U.S. postal costs have gone up from 110 to 266 per cent, for a total cost of 1.86 billion dollars. In this period postal rates have been raised to bring in additional revenues of only 275 million dollars.

It's no way to run a business.

NATURAL gas reserves in the United States climbed to an all-time high of 237.8 trillion cubic feet at the start of 1957. Production during 1956 hit a record of 10.9 trillion cubic feet but additional proved recoverable reserves amounted to 25 trillion cubic feet. This resulted in a net gain of 14.1 trillion cubic feet, the greatest one-year advance recorded by the American Gas Association.

Will Be June Bride

Mr. and Mrs. Joseph Hudeck, former Warren residents now living at Findley Lake, N. Y., announce the engagement and coming marriage of their eldest daughter, Karleen Anne Davis, to Robert X. Williams, son of Dr. and Mrs. R. X. Williams, of Clymer, N. Y.

Miss Davis was graduated from Clymer Central School in 1953, attended Grove City College and is presently employed by Kaiser Aluminum & Chemical Corporation in Erie. Her fiancé, alumnus of Clymer Central in the same class, will be graduated from University of Notre Dame in June and will enter medical school in the fall.

The wedding will take place June 15 at St. Elizabeth's church in Corry.

Is in Benefit Play

David Merenick, Warren student attending Edinboro State Teachers' College, will be one of the Collegiate Players appearing in Moliere's "The Would-Be Gentleman", when that long-famous comedy is presented Saturday night in Beatty Junior High School auditorium as a benefit for Girl Scout Troops 4 and 15. Dave has been cast in the role of one of the lackeys in the French production.

Persons who have not yet secured their tickets for the Saturday night show will be given opportunity to do so Tuesday evening, when members of the two troops will be calling on friends. Proceeds from the project are to be used in financing a summer trip to Rockwood, National Girl Scout Camp at Bethesda, Md., and the girls are anxious that the auditorium be well filled.

Eisenhower Class Reading Comedy

"You Can't Take It With You", the play chosen by the junior class of Eisenhower High School for presentation to the public on May 10-11, was the motion picture Academy Award winner in 1937-38 and has been a stage favorite of American theatre-goers ever since.

In rehearsal for the two performances at Eisenhower auditorium is the following cast:

Penny—Emmajean Harmon; Essie—Linda Lyford; Rheba—Patty Passinger; Alice—Shirley Williams; Gay—Delores Dexter; Mrs. Kirby—Darlene Carlson; Olga—Jeanne Garrett; Paul—Bob Porter.

DePima—Jim English; Ed—Jerry Angove; Donald—Chuck Tower; Grandpa—Dave Whitford; Tony—Don Rockwell; Kolenkhov—Bud Rowland; Mr. Kirby—Ted Holt; Henderson—Clayton Mesier; three gunmen—Mike Zurkan, Gary Lewis and Henry Kutchki.

COMMUNION BREAKFAST PLANNED BY C. D. OF A
 Next Sunday April 28 is the date set for the annual Communion and Breakfast by Court Warren, Catholic Daughters of America. It will start with 8:00 o'clock Mass at the Holy Redeemer church, with the breakfast to follow in the Knights of Columbus hall.

Father Fredericks from St. Bonaventure College is to be the speaker.

Reservations must be in by this Wednesday and can be made by calling the chairman, Mrs. Wanda Mastrian—3012, or Grand Regent Fern Hesch—2051.

Court Callistus of Kane has invited members of Court Warren to attend a reception of new members next Sunday. This affair will start at 1:30 p. m. Anyone wishing to attend or for further details may call Mrs. Hesch.

W. A. Messengers To Be Guests for 69th Anniversary

Easter Sunday was a doubly important day for Mr. and Mrs. William A. Messenger, 409 Market street, since its spiritual significance was supplemented by the fact it was 69 years ago on April 21st they were united in marriage in Fredonia, N. Y.

Mr. and Mrs. Messenger have lived in Warren all their lives, with the exception of a few months in Elgin, Ill.

Mr. Messenger was active in Masonic circles until a year ago in December, when he was a patient in Warren General Hospital for many weeks, but has been confined to his home for the greater part of the time since. His wife is not in the best of health, but is able to be about.

The celebrants will be entertained by a number of friends at a dinner party this evening at Christensen's at Cherry Grove to mark their anniversary milestone.

Community Joins In Annual Service

Sugar Grove—The Methodist church was well filled for the union Communion Service Thursday evening. The pastor, Rev. Merrill Livezey, gave the call to worship and invocation; Mrs. Neil Scott was organist; the Rev. James M. Fisher, First Presbyterian minister, read the scripture; the Rev. David Vennberg, Mission Covenant pastor, offered prayer.

The Rev. James M. Magnuson, assistant pastor of Zion Mission Covenant church, gave the Communion Meditation and the Rev. Gustav Erickson, of Lander Methodist church, officiated for the Communion and pronounced the benediction. Other pastors and Darwin Eckstrom assisted in administering the Communion.

Special music included the anthem, "All in an April Evening" by the Sugar Grove Choir; "The Rock That Shelters Me", a quartet composed of Ruth and Norma Mills, Donald Hagberg and Larry Ludwick, with Mrs. Donald Ludwick accompanying; solo, "The Holy City", Travers Stohberg.

NORTH WARREN P. A.

The April meeting of North Warren PTA was conducted by the president, Mrs. Earl Abel, with Mrs. Munch leading the group in The Lord's Prayer. The attendance award was won by Mrs. Anderson's second grade.

Mrs. Munch reminded of the Penn State Blue Band Concert to be played at Beay auditorium May 1st; announcement was made of a pie social May 10th; Mrs. Sponsler, Mrs. Lawson and Mrs. Briggs were appointed as a nominating committee; it was decided two delegates will be sent to the Northwest District Conference at Mercer May 4th.

Through the courtesy of the Cancer Society, a film, "Warning Shadow", was shown. Mrs. Munch, program chairman, presented Mrs. Coyle, who spoke on "Our Spiritual Heritage". To conclude, refreshments were served by Mrs. Anderson, Mrs. Glenn Slocum, Mrs. Robert Anderson, Mrs. Russell Jackson and Mrs. John Owens, Jr.

TEACHER-PARENT CLUB

The April meeting of Mead Township Teacher-Parent Club will be held in Washington School at Tiona at 8:00 p. m. Wednesday, with a white elephant sale as one of the program features.

Don't Reveal Your Beauty Secrets

The bride who protects her husband from the clutter created in a bathroom by drying lingerie is getting off to a good start. This bride (left) does her personal laundry in the morning and hangs it on a lazy susan dryer that fits neatly into the bathtub. The shower curtain can be drawn to keep the bathroom looking neat. By the time her groom returns, clothes and rack are put away. Pin curls, too, are not for public view. This bride hides

hers (center) under a pretty shirred cap and looks attractive even while she gives herself a manicure. She looks fresh (right) and neat in the morning. Here, she takes a minute to arrange a bouquet of flowers for the breakfast table. She has dressed quickly: a shower, a dash of lipstick, a fresh brunch coat. Her groom will be appreciative of her efforts to make his morning meal a pleasant one.

BY ALICIA HART, NEA Beauty Editor

THE new bride knows that her life is going to be a bit more complicated than it was before her marriage. But she'll probably find that her husband expects her to be pretty much unchanged, except for the delight of having his dream girl share his home. And it's a wise bride who continues to be a dream girl.

Feeding a brand-new husband and making a comfortable home for him are big projects for a girl who has never tackled a homemaking job. But don't get so involved with homemade apple pies and tastefully arranged furniture that you neglect a vital factor in keeping that man happy.

If the man who has wooed and won you has only seen you on date nights looking your best, it's not smart to startle him right after the honeymoon by revealing just how you achieve your glamor.

Things are a lot simpler for the young housewife than they are for the girl who keeps her office job after marriage. For if pin curls are the basis of that hairdo her man so admires, she, at least, can set her hair in the afternoon while her husband is away at work.

But even the working wife, who must do her pin-up job at night, doesn't have to spend the evening looking as though she'd been scalped. There are colorful scarves and little ruffled caps made just to disguise those unattractive pin curls.

A soft permanent should give her hair enough body so that the curl will last from one shampoo to the next, and eliminate the necessity for nightly pin-ups. Naturally, her hair should be

washed at least once a week, for unless it is clean at all times, no hairdo will be soft and lovely.

The most difficult time of the day for the new bride to keep up that dream girl illusion is at breakfast. Since time is important in the mornings, she can't allot too much of it to looking pretty.

Every young wife will find it helpful to own a variety of fresh, crisp-looking brunch coats for early morning use. They can be simple to care for since many come in drip-dry fabrics that can be swished through detergent suds, dried and worn again without touching the ironing board.

Getting up a few minutes ahead of your husband will give you enough time for a fast shower, neatly combed hair and a dash of lipstick. Then, while

he is dressing, breakfast can be prepared, the table attractively set and you can join him at his morning meal, looking as fresh and pretty as you did when you both were out on a date.

Incidentally, your bridegroom will come to the table in a much happier frame of mind if he doesn't have to do battle with your laundry before he can get into the shower.

Filmy stockings will bring a smile to a man's face when they encase pretty legs. But the smile is apt to become a scowl if they're dripping wet and hit him in the face when he steps into the bathroom.

It's a clever wife who realizes that it never occurred to the man she married that she had to work particularly hard to be a glamor girl. And, believe it or not, her loveliness will be more appreciated if he never finds out.

CALYPSO THEME FOR CVCC FESTIVITIES

Mr. and Mrs. R. Pierson Eaton are chairman for the annual lobster dinner and calypso party at Conewango Valley Country Club on Saturday night of this week.

Working with them on arrangements for what promises to be a fun-filled evening are Dr. and Mrs. A. F. Yerg, co-chairmen, Mr. and Mrs. James H. Frantz, Mr. and Mrs. W. Scott Calderwood.

Dinner will be served at eight and the reservations deadline has been set for Thursday. All who wish to participate in the musical program to follow the serving are urged to be on hand.

WOMEN OF THE MOOSE

The regular meeting of Warren Chapter 693, Women of the Moose, will be held Wednesday evening, when reports are due from the following committees: Publicity; Mooseheart, Jessie Badie; child care, Pauline Elmhurst; homemaking, Evelyn Hamblin.

An executive committee meeting will be held at 7:30 p. m. on the lower floor.

At the last Chapter meeting, Evelyn Hamblin sponsored her Homemaking Chapter Night, with a delightful party carried out in an Easter theme and including games, prizes and lunch.

Local Stylist Purchases Beauty Salon

NEW OWNER—Marge Hoffman, a beauty stylist for a dozen years, today announced her purchase of LaVogue Beauty Salon, 210 Hickory St., from Dorothy Roche. Above is the remodeled interior of the Salon which will celebrate its new ownership with a public inspection Tuesday. Five girls are on hand to accommodate "walk-in" customers daily. Timesphoto by Saylor.

A lady whose youthful envy of her brother and sister's naturally curly hair led her into the beautician business, has acquired LaVogue Beauty Salon, 210 Hickory Street.

Mrs. Marge Hoffman today announced her purchase of the shop from Dorothy Roche who had managed the shop for seven years. The location has been a beauty parlor 30 years.

The new LaVogue Salon will celebrate its new ownership with a public inspection of the remodeled interior on Tuesday afternoon and evening. Gwen will be at the organ.

Marge became interested in the haircutting field when the natural curls on the heads of brother and sister piqued her envy. A native of Bradford, she studied first in Erie, later trained in Buffalo and has been an expert for a dozen years.

Variety of Activities For Lander Auxiliary

Lander—Volunteer Fire Department Auxiliary members held their regular meeting at the home of Mrs. Guy Rowland, Sr., with 22 present.

The president, Mrs. Ralph Babcock, conducted the business session, when plans were made to hold a bazaar and bake sale in the Jamestown public market on May 3-4; and a pancake supper to be served in May was discussed.

Named as a nominating committee for election of officers in May were Mrs. William Muschick, Mrs. Willard Dexter and Mrs. Grant Childs. It was announced a new stove has been purchased; members were asked to turn in money from pepper sales as soon as possible; and members, firemen's wives, and others interested in making donations for the bazaar were asked to do so as early as possible.

Articles were brought to the meeting for a shower for the Harry Perry family, whose home was recently destroyed by fire. It was announced the firemen are sponsoring a Variety Show in the fire hall May 18, and Mrs. Grant Childs and Mrs. Josie Vinton were named as a committee for the anniversary party next month.

Mrs. James Geary was present in the interests of starting an auxiliary to the County Volunteer Firemen. Welcomed as new members of the local unit were Mrs. Walter Carlson, Mrs. Maurice Strickland, Mrs. Kenneth Lindell, Mrs. Charles Skaggs, Mrs. Eric Larson, Mrs. Zigmunt Kaczar and Mrs. John Dudgeon.

To conclude the evening, lunch was served by the hostess, assisted by Mrs. Dean Roberts.

CLUB BREAKFAST PLANS PROGRESSING

May Day Breakfast posters replaced Easter decorations in a number of store windows today, a gaily plumed and highly unorthodox rooster calling attention to this annual event to be served to the public at the Woman's Club from 7:00 a. m. to 1:00 p. m. Wednesday, May 1st.

Speedy service is promised those in a hurry, along with a fine menu served in a cheery springtime setting. Tickets are available from club members or may be had by calling Mrs. George Templeton, Jr., at 4175-R. Group reservations may be made by calling the club office, 410.

CHRISTIAN MISSIONARY ALLIANCE SERVICES

April 23 will mark the beginning of special services at the Christian and Missionary Alliance church, 615 Conewango avenue, the Rev. E. C. Docherty, of the Corry church of the same denomination, to bring a Gospel message each evening and his daughter, Mrs. Hope Dennison, to furnish special accordion music. Meetings will be held at 7:30 p. m. April 23 through May 5, excepting Monday evenings.

Gathered From The Party Line

Mr. and Mrs. Melvin Thomas and children, Edward and Sylvia, were here from Pittsburgh to spend the Easter weekend with her mother, Mrs. E. W. Williams, 209 Prospect street.

Word comes from Providence, R. I., that Stephen H. Coe, son of Mr. and Mrs. Paul H. Coe of 222 Conewango avenue, has been initiated by Epsilon Chapter, Zeta Psi Fraternity, at Brown University. Graduate of Warren High, Steve is a freshman and candidate for a bachelor of arts degree at Brown, and is an active member of the Green Club.

Returning today after an Easter visit in Washington, D. C., are Mr. and Mrs. Walter Mather, 14 Marrer street, who were guests of their daughters and families, Dr. and Mrs. F. T. Stone, of Alexandria, Va.; Mr. and Mrs. Robert Ansell, Springfield, Va.; and Miss Dorothy, who is a student at George Washington University in the nation's capital.

Among up-coming events on the service club social calendar is the Rotarians' annual Ladies' Night, set for Wednesday, May 15, in the YWCA activities building. Dinner will be followed by entertainment presented by the Warren High School Chapter, National Honor Society, with Kiwanians and their ladies again joining in for the event.

ADD PARTY LINE Dr. and Mrs. Raymond Lowe and family, Complanter avenue, spent the Easter weekend in Pittsburgh.

Mrs. Maryann Kibler, of Corry, was visiting friends and relatives in Warren Friday.

Mr. and Mrs. Ned Salerno are returning today to their home in Mt. Clemens, Mich., after spending the weekend with relatives. They were accompanied home by the latter's mother, Mrs. August Zova, who will spend some time with them.

New Officers Named by Lander PTA Membership

Lander—Highlight of the PTA meeting at Lander school was acceptance of the following slate of officers: President, Mrs. Lloyd Ferry; vice president, Mrs. Hugh Sechrist; secretary, Mrs. Ed Wilcox; treasurer, Mrs. James Dalrymple; historian, Mrs. Gid Van Ord.

Mrs. Ralph Burgett presided and the meeting opened with singing of "Battle Hymn of the Republic". Mrs. Gordon Spencer gave devotions. It was announced there will be an art exhibit and candy sale at the next meeting; also the PTA Gold Seal has been received from the State PTA Association. It was voted to send two delegates to the Spring conference at Mercer in May.

Mrs. George Mahan gave the cafeteria report for the past month showing 2,911 lunches and 3,615 bottles of milk sold; 21 days with an average of 138 lunches per day. It was also stated the freezer has been paid for. A discussion was held concerning advisability of having volunteers of room mothers during the lunch hour so the teachers may have a half-hour of free time. The penny collection amounting to \$3.55 went to Mrs. Lynn Burgett's room.

Inability of the speaker to be present caused a change in the program and an important panel discussion was held on what parents expect from teachers and what teachers expect from parents, with Mrs. Ralph Burgess as moderator. Parents participating were Mrs. Perry Wilcox, Mrs. Warren Wilcox, Mrs. Avalon Niles and Mrs. Kenneth Lindell; teachers taking part were Mr. Allen, Mr. Hiles, Mrs. Cable, Mrs. Biss, Mrs. Burgett and Mrs. Sechrist. The interesting discussion was enjoyed by all.

In conclusion, lunch was served by a group of Sugar Grove mothers.

IMPORTANT MEETING

Members of Saron Lutheran church in Youngsville are reminded of the congregational meeting to be held next Sunday morning to vote on plans for the new addition to the church. The building committee has approved a plan and this Wednesday evening there will be an open meeting for church members when the committee will explain the plans to the congregation.

CHAPTER DELEGATES

Mrs. Harry J. Granquist and Mrs. O. H. Baird represented General Joseph Warren Chapter at the 66th Continental Congress of Daughters of the American Revolution in Washington, D. C., April 15-19. Their reports will be presented at the May 9th meeting of the chapter and will feature colored slides of Congress scenes.

PATRICIA MELEY PLANS OPEN CHURCH

Miss Patricia Meley, daughter of Mr. and Mrs. Gayle Meley, Sr., of Lander, will observe open church for her marriage to Lavern Hagberg, son of Mr. and Mrs. Victor Hagberg, of Scandia. The ceremony will be performed in Lander Methodist church Saturday, April 27th, at 2:00 o'clock.

BROKENSTRAW GRANGE

At the regular meeting of Brokenstraw Grange in Youngsville Tuesday evening, the program will be in the form of a birthday surprise to celebrate anniversaries of all members. There will be judges, and awards will be presented. A good attendance is urged.

BAPTIST AID SOCIETY

Mrs. Ralph Owens and Mrs. Anna Pratt will be hostesses to members of First Baptist Ladies' Aid Society Tuesday for a 2:30 p. m. dessert-luncheon at the church. Mrs. Madge Williams will be the devotional leader.

SENECA PTA MEETING

All members are urged to turn out for the April meeting of Seneca PTA, to be held at the school at 8:00 p. m. Wednesday.

DIAGNOSTIC CLINIC

The semi-annual orthopedic clinic, sponsored by the Pennsylvania Department of Health and Warren County Crippled Children's Committee, will be held in the basement of First Presbyterian church, Market street at Third avenue, from 9:00 a. m. until 2:00 p. m. Tuesday. Dr. Clayton Fortune, orthopedic surgeon from Erie, will be in charge.

Area Kiwanis Clubs to Hold Summer Outing

Looking ahead to a variety of mid-summer activities, members of the Warren, Youngsville and Kane Kiwanis Clubs are planning a family-style picnic to be held at Chapman Dam Park at 6:00 p. m. July 17.

Chairmen for the event, which it is hoped will become an annual affair, are Bob Anstadt, Warren; Bud Seekings, Youngsville; and Joe Galbo, Kane.

Games and surprises are in store for children of the combined clubs, whose memberships total 150 men.

GAS FELS FAMILY

Titusville Herald: Mr. and Mrs. Clarence Landas and daughter, Sharon, 6, of 6 Meadow Lane, narrowly escaped being asphyxiated early yesterday morning. Gas escaping from a refrigerator in their home first rendered Sharon unconscious after she cried out, bringing her parents in the room near the kitchen. Both Mr. and Mrs. Landas were affected by the gas, Mrs.

Landas passing out and Mr. Landas falling to the floor. He managed, however, to get to the door. He called the child's grandmother, who took them all to the hospital for treatment. Had Mr. Landas not been able to open the windows and doors, they might not have recovered so quickly. Mrs. Landas was given oxygen treatment in the hospital emergency room for two hours before she fully regained consciousness. She had a bad headache all day. Sharon recovered after being in an oxygen tent for two hours. All three were discharged after treatment.

NACA MEETING
Jamestown Chapter, National Association of Cost Accountants, has planned a plant visitation of the Jamestown Telephone Corporation at 3:00 p. m. Tuesday. Following the two-hour tour, members will hold a discussion session in their conference room. Among interesting sights will be the new 32-position switchboard used for nationwide toll dialing; also the vast electronic systems so vital to efficient performance of the industry. Accounting procedures necessary to sustain a successful operation will be explained.

ELWIN LONG
Erie (P)—Elwin Long, 54, an Erie dentist for 30 years, died in a hospital Friday following his second heart attack in less than a week.

INFANT RODGERS
Sheffield—The Rev. Carl F. Blason, pastor of Bethany Lutheran church, officiated Saturday morning for the committal service held in Gibbs Hill cemetery at Ludlow for Bryan Rodgers, infant son of Mr. and Mrs. Eugene F. Rodgers.

Besides the parents, the child is survived by a brother, Bruce, and sister, Cathy Diane; his paternal grandparents, Mr. and Mrs. Eugene F. Rodgers, Sheffield; and his maternal grandmother, Mrs. Mabel Nichols, Ludlow.

STEWART STEARNS
Funeral services were held at 2:00 p. m. today in Bemus Point, N. Y., for Stewart Stearns, 69 year old resident of Sinclairville and father of Mrs. Isabelle Lawson, Warren. The Rev. Norman McLean, of Bemus Point Methodist church, officiated and interment was made in the cemetery at that place.

Mr. Stearns, who died at Dewittville early Friday morning, leaves three other children, Norman Stearns, Milwaukee, Wis.; Mrs. William Fletcher, Phoenix, Ariz.; Mrs. Joseph Wiltzie, Denver, Colo.; also 13 grandchildren and one great-grandchild.

HENRY OTTERSON
His many friends in Warren will learn with regret of the death on April 14 of Henry Ottersson, aged 82, at Capitola, Calif.

Mr. Ottersson came to Warren in 1933 to serve as chief engineer at Warren State Hospital, which position he held until his retirement in 1953. He was a faithful member of, and served as an elder for the Presbyterian church. His enthusiastic support of the Boy Scout program and of many other civic organizations made him a respected leader in Warren's community life.

Before coming to Warren, Mr. Ottersson had been associated for many years with the Elliott Company of Ridgway. It is understood that burial will take place in Ridgway at a date to be announced later. Mr. Ottersson was preceded in death by his wife, Ethel, in 1953.

REBECCA OLIVE EASTON
Mrs. Rebecca Olive Easton, aged 77, died about 4:00 p. m. Sunday at the home of her daughter, Mrs. John Trauffer, 904 Pennsylvania avenue, east.

Mrs. Easton was born October 23, 1879, in Randolph county, West Virginia, and had lived here for the past 27 years. She was a member of First Church of the Nazarene and its Baruchah Class; also of Warren Central WCTU.

Surviving are four children, Richard A. Swanson, Raymond D. Swanson, and Leonard R. Swanson, Erie, with Mrs. Trauffer of Warren; also seven grandchildren and six great-grandchildren; one brother, E. C. Reed, Clarksburg, W. Va.

Funeral services at 1:00 p. m. Wednesday will be followed by interment in Youngsville IOOF cemetery. Her pastor, the Rev. John Z. Andree, will officiate for the rites.

A. N. WARNER
Titusville: Alexander Nes Warner, 70, independent oil producer and for more than three decades prominent in the civic affairs of the community, died at 5:10 a. m. Friday at his home at 708 N. Perry street, after an illness of over six months.

Mr. Warner was a founder of the Warner-Caldwell Oil Company and for 40 years was its president. He was a native of Titusville.

The funeral services were held Saturday at 3:00 p. m. at St. James' Memorial church with Rev. William K. Reed officiating. Interment will follow in Woodlawn Cemetery.

One of Mr. Warner's greatest in-

terests was the Titusville Hospital. During the period of 35 years as a member of the board of directors, he spent much of his time in its expansion and improvement, including the personal supervision of many projects.

As chairman of the building committee, he supervised the construction of the nurses' home and the addition of three fire wings and extensive modernization of the original building. He was principally responsible for planning and overseeing the construction of the \$320,000 west wing in 1943 which houses the maternity department and operating room suite. Mr. Warner retired as a member of the board on April 18, 1948.

MRS. JOHN H. CLOUGH, SR.

Relatives in this area have learned of the death on Sunday morning in Los Angeles, Calif., of Mrs. John H. Clough, Sr., formerly of Pittsfield. Aged 83 in February, she had been in failing health for the past year and a half.

Mrs. Clough was born in Pittsfield, lived there until her marriage in 1892, resided in Cory until 1921, and returned to Pittsfield until about eight years ago, when she began spending the winter seasons in California. She had been a lifelong member of Pittsfield Presbyterian church.

Surviving are her husband and seven children, Mrs. Veolia Caldwell, Pearisburg, Va.; Mrs. Fawcett Darns, Mrs. Vinora Caldwell and Mrs. Helen Wroblewski, all of Los Angeles; John H. Clough, Jr., Flint, Mich.; Harry Clough, Pittsfield; and Robert Clough, Hermosa Beach, Calif.; also 24 grandchildren and a number of great-grandchildren.

Funeral services will be held Wednesday afternoon in Los Angeles, with burial in Rose Hill cemetery.

JULIUS C. PETERSEN
Julius Christ Petersen, 216 North Irvine street, died at the family home at 7:35 p. m. Sunday at the age of 80 years.

Mr. Petersen was born in Denmark on April 12, 1877, and had lived in Warren for the past 52 years. A cabinet maker by trade, he retired about eight years ago after a long period of employment by the Crescent Furniture Company. He was a member of the Danish Brotherhood, Warren IOOF Lodge, and Kossuth Encampment.

Besides his wife, Mathilda, he leaves three children, Mrs. Helga Gregerson and Mrs. Sarah K. Jones, Warren; Sophus I. Petersen, Detroit, Mich.; also eight grandchildren and 12 great-grandchildren.

Funeral services will be conducted at 3:30 p. m. Wednesday by the Rev. V. Theodore Benson, with interment following in Oakland cemetery.

Funerals

REBECCA OLIVE EASTON—Friends will be received at the Peterson Funeral Home at the usual calling hours, starting at 7:00 p. m. today, and services will be held there at 1:00 p. m. Wednesday. The Rev. John Z. Andree, of First Church of the Nazarene, will officiate and interment will be made in Youngsville IOOF cemetery.

JULIUS C. PETERSEN—Friends will be received at the Peterson Funeral Home at the usual calling hours, starting at 7:00 p. m. today, and services will be held there at 3:30 p. m. Wednesday. The Rev. V. Theodore Benson will officiate and interment will be made in Oakland cemetery.

1. International Communism "is on the prowl to capture those nations whose leaders feel that newly acquired sovereign rights have to be displayed by fouting other independent nations."

2. The chief deterrent to Soviet aggression is the "mobile retaliatory power" of the United States but this country also needs strong allies. This is the main argument for military aid.

3. The administration's policies governing promotion of international trade and economic assistance to foreign countries are vital to strengthen those countries against Communist pressures and to secure their belief in "the blessings of liberty."

4. The United States considers "that controls and reduction of arms are possible, desirable and, in the last reckoning, indispensable." The atomic arms race "is costly, sterile and dangerous" and "we shall not cease our striving to bring it to a dependable end."

5. History suggests that "a conflict as basic as that dividing the world of freedom and the world of international Communism ultimately erupts in war" but the United States rejects the notion that war is inevitable and believes it can be prevented.

from the tree. Youngsville Volunteer Firemen were summoned to the scene when it was feared the car would catch fire. Over the Fire Department radio word was relayed to Coroner Lowrey through the Warren Department radio, Capt. David Main handling the message.

Warner was the son of Mr. and Mrs. E. Elmer Warner and was living at home. Born May 8, 1934 in Corry, Warner attended schools there and served with the United States Army in Europe from 1954 to 1957. He was employed by Corry-Jamestown Corporation in Corry, and was a member of Union City post, Veterans of Foreign Wars.

Surviving besides his parents are a sister, Mrs. Richard A. Christensen of Corry; four brothers, Edwin Warner of Schenectady, Harry Warner of Union City, Logan and Russell Warner of Corry; a maternal grandmother, Mrs. Christina Nelson of Woodstock, Ill.

Funeral services will be held in Corry Wednesday afternoon at two o'clock. The Rev. H. Ray Harris, pastor of Corry Evangelical United Brethren Church, will officiate. Burial will be in Pine Grove Cemetery, Corry.

Pennsylvanians abroad took part in Easter services, sharing the joy of the day with their fellow-Americans and with nationals of the various lands, even when their religious faiths are different.

In Genoa, Italy, a sailor from Berwick was baptized in the Roman Catholic Church at midnight Easter services by Giuseppe Cardinal Siri, archbishop of the ancient port city. The sailor was Robert Michael, 22, who also received the sacraments of Holy Communion and confirmation upon being received into the church.

As Christians concluded their ceremonies, Pennsylvanians of Jewish faith began the final two days' observance of their Passover Festival, which closes at sunset Tuesday.

During Jordan's recent political crisis, when Hussein dismissed the government of Premier Suleiman Nabulsi, along with the Communist and Leftist elements, there were fears in the Middle East that the monarchy might collapse and that Jordan's neighbors might rush in to dismember the country.

The President, who arrived in Augusta Thursday and plans to remain at least through this week, spent a quiet Easter with Mrs. Eisenhower and their house guests, Secretary of the Treasury and Mrs. George M. Humphrey.

Interesting Film Is Much Enjoyed By Aviation Club

Mr. and Mrs. Howard Whitmore, Hemlock street extension, were hosts to the Warren Aviation Club on Wednesday. The members enjoyed the delicious repast served and a Walt Disney cartoon "The History of Aviation." Aviation and airplanes have grown so much since 1903, when the Wright Brothers made their first flight, that they could have taken off and landed on the wing of the modern B-29 and had room to spare.

Mr. Mel Barron, airport manager, showed colored slides of various private planes that can be seen today.

He also announced that the trip to Ohio to inspect an Aerocraft for the club was futile since the plane had been sold.

The members were informed that the Aeronautics Commission has announced that the new test to be taken by student pilots is now in effect. Anyone interested in taking it can do so at Erie on April 30th.

The next meeting will be held at the Airport Wednesday, May 1 at 8:00 p. m.

As an Important Touch---

Select Wedding Flowers With Care

BY HELEN HENNESSY
NEA Staff Writer

NEW YORK — (NEA) — The well-planned wedding is the one that is most certain to run smoothly. And the smart bride-to-be will make sure that all the arrangements are made well in advance of her wedding day.

The task quite often put off till the last minute, to give precedence to more time-consuming chores, is ordering the floral arrangements. This is a mistake. For flowers add that important finishing touch to the wedding itself, and should be given careful consideration.

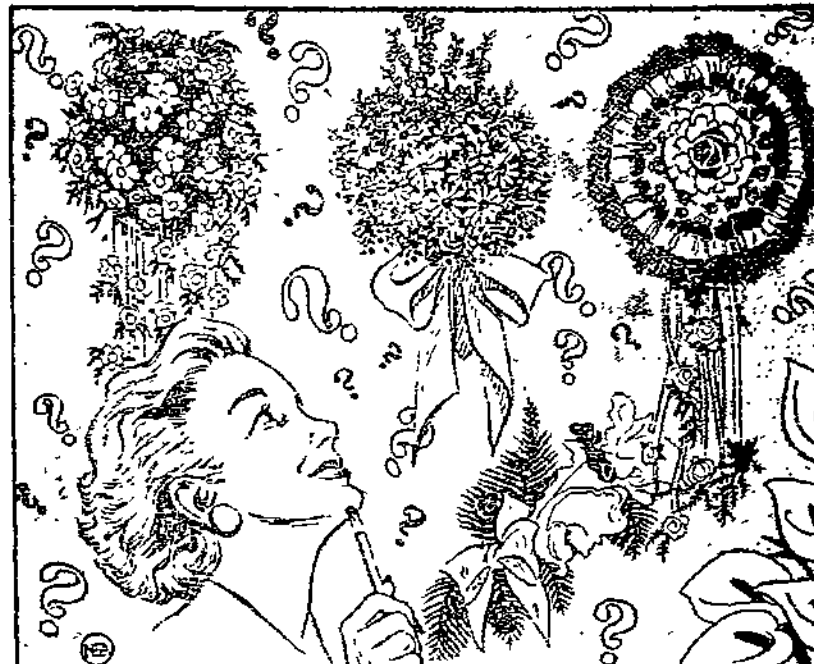

If the bride-to-be is confused as to the financial responsibility for the flowers, she will be quite correct in having her family pay for her mother's corsage and the bridesmaid's flowers. The groom takes care of his mother and the boutonnières for the men of the wedding party.

It is, however, becoming more and more customary for the groom to send the bride her bouquet.

IF THE BUDGET is tight, remember that flowers in season are a good deal less expensive than those that are not, and when prettily arranged, just as lovely. If the florist is told immediately the budget he has, he will be better able to do his job to satisfaction.

For the formal bride, traditional white bouquets are now being designed with touches of light pink or pale blue, especially if her wedding gown is a pastel tint or an off-white.

The cascade form is most popular, since it is a good balance for a gown with a long train. The

Flowers for the wedding are a problem. Prospective brides should plan ahead to avoid confusion and get the best results.

price for an arrangement of this type in gladioli or roses can start as low as \$7.50. On the other hand, the same design in orchids or lily-of-the-valley would be much more expensive.

THERE IS MORE leeway for the girl who will have a semi-formal wedding. A wider variety of flowers can be used, and a good deal more color. Although orchids are still favorites, roses, daisies, anemones and gardenias are gaining in popularity.

The type of bouquet she will carry should be determined by the bride's height and the style of her dress. For a ballet-length dress, a round, old-fashioned bouquet with a center of roses and clusters of carnations, del-

phiniums and daisies is an excellent choice. If the bridal gown is full-skirted and tight-waisted, a semi-crescent or crescent bouquet should be chosen. For a sheath-like gown, a very modern stylized arrangement is suitable.

The informal bride, who will wear a suit or street-length dress, will probably want a corsage. Spray orchids or carnations are proper, but daisies are coming into their own, and are charming. A daisy corsage might cost as little as \$4.50.

A lot of thinking should go into selecting flowers for the bridal party, and if the proper time and thought are given to this phase of the wedding plans, the result will be rewarding.

Sunday Day To Be Remembered in the Major Leagues

Highlight of Eventful Easter Is Fact That Both Yanks And Dodgers Finally Lost a Game

By JACK HAND
The Associated Press

When baseball historians grope through the records of Sunday, April 21, 1957, at some distant date, they'll mark it down as the day that:

1. A "day" doubleheader at Washington was called because of power failure.
2. Don Newcombe tied a record by throwing home run balls to three successive Pittsburgh batters.
3. Don Hoak, a Cincinnati base runner, "fielded" a grounder between second and third and tossed it to Johnny Logan, Milwaukee shortstop, thus, in effect, retiring himself.
4. Jim Wilson pitched 6 2/3 perfect innings for the Chicago White Sox and didn't allow a Kansas City hit until there was one out in the ninth.
5. Frank Lane gnashed his teeth as a man he traded to Chicago Saturday, Bobby De Greco, came through with a base hit that helped beat the St. Louis Cardinals 5-3 and then patted himself on the back for engineering the deal that brought Sam Jones, a 6-3 winner in the second game, to St. Louis from the Cubs.

All in all, Easter Sunday was a day to be remembered if for no other reason than that the New York Yankees and Brooklyn Dodgers finally lost a game.

After one week of play, the Milwaukee Braves and the Chicago White Sox are the only unbeaten teams and the Cincinnati Redlegs are the only nonwinners.

President Will Harridge has a problem on his hands after the second game at Washington was called because of power failure after five innings with Washington on top 2-1.

Since American League rules do not cover such a situation, Harridge will make a ruling after he gets the complete report from his umpires.

Baltimore won the first game 11-9, a wild affair that lasted 3 hours and 50 minutes and wasn't decided until the Orioles came up with two in the 10th inning. A total of 39 players, including 13 pitchers, saw action with George Zuberink getting the decision over Dick Hyde.

The Yanks lost their first game 5-4 to Boston when a wind-blown pop fly fell for a single between pitcher Bob Grim and the first base line with catcher Yogi Berra in pursuit. Gene Mauch dashed home from second while Sam White's fly was failing for a game-winning single, giving Dave Sisler the verdict. Bill Skowron hit two homers.

Newcombe delivered successive home runs to Frank Thomas, Paul Smith and Dick Groat of Pittsburgh in the third inning of the first game at Brooklyn, won by the Pirates 6-3. Vern Law, who left with a pulled muscle, Bob Furkey and Roy Face held the Dodgers to two hits. One was a three-run homer by Carl Furillo in the ninth.

Brooklyn took the second 7-4, routing Ron Kline as Don Zimmer and Junior Gilliam each collected three hits. Don Drysdale won it.

Hank Sauer beat the Phillies all by himself in the first game with a homer and a ninth-inning single that gave New York's Johnny Antonelli a 2-1 edge over Robin Roberts.

In 1956 the world's civilian airlines carried 78 million passengers, for an average distance of 575 miles each.

Gene Littler Wins The Tournament Of Champions at Vegas

By BOB MYERS

Las Vegas, Nev. (AP)—No one really thought Gene Littler had a ghost of a chance to win the \$40,000 Tournament of Champions golf extravaganza for the third straight year.

Included in the nonbelievers was Littler himself, as he candidly admitted. But today he had the \$10,000 first prize.

The 26-year-old professional from San Diego, Calif., led off with mild rounds of 73-73, took the lead in the third round with a 69 and yesterday hit 70 for 285, three under par for 72 holes, hit the target.

Gene's conquest of the Desert Inn Country Club course, a 7,102-yard, par 36-36—72 test, was close in the final phases.

He started out just one stroke ahead of Don "Aching Back" January. During the afternoon session Dick Mayer was within one shot range. Then Dow Finsterwald threw a challenge. So did Jimmy Demaret, and never far out of consideration were Ed Furgol, Cary Middlecoff or Bill Casper, Jr.

But one by one the threats faded and Littler sewed up matters with a 10-foot putt for a birdie on the 17th hole.

He didn't need it because he was home free by three strokes over his nearest four—Demaret, Finsterwald, Casper and Billy Maxwell, who closed with his second straight 69.

Furgol, Mayer and January were tied at 289. Doug Ford and Arnold Palmer finished with 292. Cary Middlecoff, Fred Hawkins and Peter Thompson at 293.

Littler had not won a tournament since his 1956 victory here.

'WHO'S THE FIGHTER HERE, ANYHOW?'

Beecham Scores An Upset In Victory Over Holly Mims

Miami Beach, Fla. (AP)—Young Jimmy Beecham of Miami moved into line for a shot at the country's leading welterweights after scoring a 10-round upset decision over the veteran Holly Mims of Washington, D. C.

Victory in Friday's nationally televised fight from the Miami Beach Auditorium was especially satisfying to the 22-year-old Beecham.

First, it avenged a close defeat by Mims in a previous fight Nov. 13. Second, it convinced Beecham that he could campaign successfully among the top welterweights.

"I was seven pounds lighter than when I found Mims the last time," Beecham said, "and I was a lot faster. That extra weight hurts me. I'm a natural welterweight and from now on I'll fight the welters."

Robbins Begins His Bid to Win Second Title At Pinehurst

Pinehurst, N. C. (AP)—Hillman Robbins, slender Air Force lieutenant from Memphis, Tenn., today began his bid to repeat as North and South amateur golf champion, a feat that has not been accomplished in 18 years.

Frank Strafaci, the last man to win two in a row in this 57-year-old feature, was one of seven North and South champions in the field of about 130. At 40, he still is a formidable figure. A week ago he won the 72-hole medal play Florida State amateur tournament at Sarasota. He registers from Miami Beach. He won the 1938 tournament and repeated in '39.

Not since then has a man put together two in a row—and the list of winners includes some top notch performers.

Bill Hyndman of Abington, Pa., runnerup to Robbins a year ago, was among the highly regarded entries.

The field included Howard Everett of Northfield, N. J., and Harry Haverstick of Lancaster, Pa.

Grayson's Scoreboard

NEW YORK (NEA)—As a seasonal resident of Washington, Eddie Yost is working on his 13th year as third baseman for the Senators, his third president, fourth manager and third or fourth complete turnover of young men the club insists are baseball players.

He prefers, however, to talk of his new job with the Senators—clean-up man. Until the final 10 exhibition games this spring, Yost was in his usual leadoff spot, getting his eye accustomed to the strike zone for the type of year he had in 1956, when he worked American League pitching for 151 walks.

FOR SOME REASON, Eddie began to take a cut at pitches he usually passed up. They began spraying over Florida ballparks for base hits and Manager Charley Dressen decided to bat him fourth.

Everything changes, Yost says, when there are men on base.

"My business always has been making the pitcher put it right over the plate," he says. "But anybody knows if you want to move runners around with a hit, you can't be choosy. Take a poke at any pitch you can reach, out of the strike zone or not. I mean if there are two out and runners on second and third, the No. 4 hitter isn't supposed to look for a walk. He should be swinging. If it's outside or high or something like that, you forget about it. As long as it can be hit, go for it."

"HE HITS 280, HE does the job," Charley says. "Look at him. He's a big, strong-armed guy. He's been up here a long time and he's been as good a lead-off man as you could find."

So far Yost, who has become known as the Walking Man of the American League, there is some added interest in playing baseball this season. Not that there always wasn't, but it is hard to conceive of any summer spent with the Senators not becoming long and hot once the sixth, seventh and perhaps last-place doldrums set in for good.

He looks at it differently. "The worse it gets, the harder it is," he says. "It's nerve-wracking when you're losing. There's a lot of pressure on you to get hits—and if you aren't hitting, it's tough."

And for a guy who has been the steady third baseman and played over one stretch in 838 straight games, Yost never has felt any job security.

"EACH SPRING, THERE'S a new one looking for your place," he says. "The guy could have one arm, but he'd still worry me. You know, this business is a lot better than working and I'd hate to lose it this early."

Only 30, Yost stepped off the New York University campus to become the Washington third baseman without a day's time on a minor league team. While managers, coaches and players came and went—even the team trainer wasn't around when Eddie started—Yost has stayed a Senator. At times, he was supposed to be traded to the Yankees or Red Sox or Detroit, but the deal never came off.

Now, he seems set as a fixture for the Senators and while the talent around him seems to say it will be a long summer, it's a fresh new business to Eddie.

"They brought the left field wall in last season and I hit more home runs in Griffith Stadium than I did in my whole career," he says.

"I like the idea of going for hits now. If I have a good year, I can get myself a better payday next season."

Roberts Is Unable To Explain Away His "Gopher Ball"

By JOE REICHLER

New York (AP)—Robin Roberts doesn't agree with Mayo Smith that his numerous home run pitches are the result of "just plain carelessness," but the star Philadelphia right-hander has no desire to become involved in a wrangle with his manager.

"That home run pitch is still with me," Robbie admitted ruefully today, referring to the one he threw to Hank Sauer that helped the New York Giants win the first game of yesterday's double-header from Philadelphia 2-1. The Phils took the nightcap 8-5.

"I wish I knew the reason," the 30-year-old Roberts added, "but I don't. One thing I do know, however, it's not because I'm careless. They're just bad pitches, that's all. Why alibi?"

Sauer's home run, hit in the second inning, was the fourth "gopher ball" yielded by Roberts in two starts this season. He threw three in losing a 7-6, 12-inning game to Brooklyn last Tuesday.

It was after that game that the usually mild-mannered Smith hurled his "careless" charge.

Roberts was a losing pitcher for the second straight time yesterday but he deserved a better fate. It was one of his better games. The Giants made six hits off him, only one after the fourth inning.

SUNDAY'S STARS

By The Associated Press

Pitching—Jim Wilson, White Sox, pitched a perfect game for 6 2/3 innings and hitless ball for 8½ innings and finally won 1-0 in the 10th over Kansas City.

Batting—Hank Sauer, Giants, hit home run and drove in winning run with ninth inning single as New York defeated Philadelphia 2-1 in the first game of a double-header.

Penn State's new golf coach, Joe Boyle, played on the unbeaten Eastern championship team of 1948.

FIRST SQUAWK—Yogi Berra opened the ballplayers' annual struggle against umpires by throwing his bat in disgust after being called out on strikes. For all his humor, the Yankee catcher burns like anybody else when a strike call kills his chance of belting one.

Jamestown Sun: Jamestown fans who have complained of the "sans fanfare" of the opening day of the city's professional baseball season in the past will have no grounds for grumbling this year, if the plans of Jamestown Area Baseball president Ernest Kessler, Falcon general manager Ted Glarrow and mayor Carl Sanford are given the least encouragement from the weather man. That time-honored institution—a street parade—is scheduled as the official usher-in of the 1957 New York-Pennsylvania League's pennant race here April 27 and city government officials, fraternal and veterans' organization officers and the baseball club's head man are planning to make it an occasion to be remembered. This parade, unlike many another that has been conducted here, will have a name: "The March on the Stadium." Plans for the parade were formulated at a meeting Friday night in City Hall, attended by the mayor, members of the City Affairs Committee, with George Sundholm presiding; Chief of Police John Padalino, Roger Carlson of the Viking Drum Corps and Captain Dana Stearns of the National Guard, Kessler and Glarrow. Among the musical organizations already enlisted for the parade are the Moose Concert Band, National Guard Military Band, and Viking Drum Corps. Other local and area musical groups are cordially invited to participate. Invitations to take part also are issued to all marching and drill groups, veteran and fraternal organizations. Representatives of groups desirous of joining in the parade should phone the mayor's office, the stadium in the morning hours. Units of the parade will form at the State Armory next Saturday at 4:30 p. m. and will move at 5. The Falcons broke camp at Jacksonville Beach, Fla., today and are expected to arrive Wednesday night. An "open house" for fans will be held at the stadium Friday. An "open house" program will be held at the stadium Friday evening, when fans will have an opportunity to meet and talk with the Jamestown players, inspect the premises and generally become reacquainted. The concession stands will be open and the arcs will be turned on.

Defendis a 2 to 1 Favorite To Beat Canadian Tonight

By The Associated Press

Angelo DeFendis, one of the top prospects in the light heavyweight division, is a 2-1 favorite to whip Yvon Durelle, Canadian 175-pound champion, and run his winning streak to seven tonight at New York's St. Nicholas Arena.

The brawny-armed Brooklyn puncher has compiled an 18-2 record, including 10 knockouts. His big punch gives him the edge over the 27-year-old Canadian, who boxes, he says, for "kicks."

Durelle has a 37-15-2 record, including 16 kayos.

DuMont will telecast at 10:30 p. m. EST.

Miguel Berrios, the Puerto Rican "Little Devil," figures to be about a 2-1 choice over Nigeria's Hogan "Kid" Bassey in their featherweight tournament radio-television 12-round at Washington's new Capitol Arena Friday night.

The winner will meet France's Cherif Hamia for the vacant featherweight title late in May.

Two young featherweights, Bobby Rogers, Chicago and Harold Gomes, Providence, R. I., hook up in the Wednesday night radio-TV headliner in Providence.

Pirates Move Into Polo Grounds For A Two-Game Series

New York (AP)—The Pittsburgh Pirates moved into the Polo Grounds today to open a two-game series with the New York Giants and a chance to take undisputed possession of third place.

Manager Bobby Bragan nominated Southpaw Louis Arroyo and the Giants countered with Reuben Gomez.

The Pirates split a twin bill with the Brooklyn Dodgers yesterday, and now have a 2-3 record. They are tied with the Giants and Philadelphia Phillies for fourth place.

The Pirates got topflight pitching and power hitting in the first game with the Dodgers, beating the defending National League champs 6-3. The Dodgers, now in second place, came back to win the nightcap 7-4.

Frank Thomas, Paul Smith and Dick Groat hit successive homers off Don Newcombe in the third inning of the first game. Groat's clout, his first home run on two years, proved to be the winning run. The home run barrage equaled a record held by many clubs.

Pitcher Vernon Law pulled a muscle in the first inning and was lifted for a pinch hitter. Bob Purkey came on to pitch one-hit ball until he was relieved in the ninth after giving up two walks. Roy Face disposed of two batters, then gave up a home run to Carl Furillo.

Ronnie Kline started the second game for the Pirates but he was knocked out of the box in the Dodgers' five-run second inning.

Don Drysdale, the Dodgers' starter was relieved by Clem Labine in the eighth when the Pirates scored all of their runs.

GOES TO VANCOUVER

Washington (AP)—The Baltimore Orioles have optioned outfielder Tito Francona to Vancouver of the Pacific Coast League on a 24-hour recall. Francona, a resident of New Brighton, Pa., had nine home runs last season and compiled a .258 batting average.

Bowling League at Youngsville Holds Annual Election

Youngsville—At the annual banquet of the Youngsville Church Bowling League, held in Garland Community House, the following officers were elected for the coming year: President, Kenneth Johnson; vice president, Victor Schnell; secretary, Aubrey Briggs; treasurer, Sherwood Fleming.

The EUB team, which finished first, one point ahead of St. Agnes, was awarded one Church League trophy, sponsor's certificate, and shoulder patches of the ABC. The engraved plate, given annually by the ABC to the individual who shows the most improvement during the year was awarded to Harry Lehman.

Seventh Graders will hold their Class Party April 25 in the elementary gym. Chairmen of committees are as follows: Decorations, Bill Johnson; entertainment, Margo Borton; refreshments, Diana Smith; clean-up Sherri Craft. There will be dancing and games.

WCTU meeting was necessarily postponed Thursday afternoon, and will be held Thursday, April 25, at the home of Mrs. Mayola Sanford.

Mr. and Mrs. Milton Bergman, Ashville, N. Y., and their grandson, were Thursday callers at the home of Mr. and Mrs. C. C. Johnson.

Sheffield Rotary Again Has 100% Attendance

Sheffield—Rotary Club had 100% attendance for their regular meeting, and three high school seniors, James Huber, Robert Milley and Tom McNeal, were guests.

Chris Yutze, president, had a brief discussion about the Butler conference during the week of the 28, 29, and 30, and the District assembly in Corry May 10th and 11th.

Naturally, the present postal situation was uppermost in the minds of the membership, when Harry Shirey, postmaster, gave an excellent summary of the situation and some of the factors that led up to it.

He spoke about the many excellent changes that had been made by Postmaster General Summerfield, particularly the decentralization whereby district offices were set up. Apparently it is no longer necessary for all postal matters to be referred to Washington, but they may be referred to the district office which permits rapid clearance. The cost of this change occurred primarily during the past year and the economies that will result will be apparent from this time on.

In speaking about the increased expense of the Postal Department, Mr. Shirey brought out a number of things including the fact that 18,000 miles of carrier routes were added since last June. It was also interesting to hear about the low income that the post office receives from the mailing of circulars, and advertising matter that is handled under the third class rate.

Mr. Shirey also praised Postmaster General Summerfield for his good work in eliminating lots of the useless red tape that has always hampered postal operations.

Interesting Easter Party Staged For Hospital Veterans

Carolynn Anderson, pianist, and Arthur Briggs, violinist, were presented in a program at Warren State Hospital Saturday evening, when Hay Rake Pup Tent 40, Military Order of Cooties, and the Cootettes gave an Easter party for armed service veterans who are patients in the hospital.

It was the Cooties' fourth such visitation in 1957, and they plan another party a month hence, at which time Arthur Briggs is to have charge of a complete program of entertainment for the evening.

Saturday evening's program included piano and organ numbers by Miss Anderson and violin numbers by Mr. Briggs, with Miss Anderson as accompanist. In observance of Easter he played "Adoration" and "Holy City."

Each veteran received an Easter basket prepared and packed by the Warren Cootettes, as well as cake, ice cream, fancy Easter cookies, candies, cigarettes and snuff. Magazines, puzzles and books were distributed in large numbers to the 123 veterans attending.

Lowell McCann, commander, was accompanied by the following Cooties: Chuck Fitzpatrick, quartermaster; Ed Nisman, hospital chairman; Axel Nisman, co-hospital chairman; Bill Starnier, secretary; Eugene Manfrey, past commander.

Visiting Cooties from Bradford were Ray Woodley, Grand Council member; and Stan Bullock, quartermaster of Derrick Pup Tent 33.

From Dads of Foreign Service Veterans Post 119 were Merrill Gates, sergeant-at-arms; Jack Eichenberg, chaplain; Norman Hancock, chief-of-staff; William Kuhre, states senior vice president; John Cassie, senior vice president; and Vern Knopf, judge advocate.

Cooties present were Doris Bennett, president; Carmela Manfrey, Lois Hubbard, Elizabeth English, Gertrude Fitch, Alice Nisman, Helen Hancock, Alice Nisman and Dorothy Albaugh.

CHICAGO BURGLARS SLAIN—The bodies of three burglars are sprawled on the floor of a Chicago department store after they were slain in a police trap while trying to crack a safe containing a half-million dollars. They were identified as James Wulf, 28, left; James Rentner, 30, a former policeman, right, and James Barumio, 30, center rear. Police who returned the trio's fire with blazing machine guns stand in the background.

Country Club At Titusville Plans A Swimming Pool

Titusville — A \$60,000 bond issue, to be raised by member subscription, has been approved by members of the Titusville Country Club to build a swimming pool and make other improvements.

The projects will "provide immediate facilities for more complete family activity and enjoyment at the club," William A. Lowrie Jr., chairman of the planning committee, said.

A three-stage plan has been set up, depending upon the amount of money which can be raised.

Already underway are gutter roof repairs, painting and remodeling the bar and lounge.

The second stage involves construction of a 25x60 swimming pool and a wading pool for \$20,000, bath house (\$5,000), new men's locker room (\$5,000), new concrete terrace, added washroom, and renovation of the women's locker room.

Final improvements, probably to be done in 1958, include remodeling of the kitchen (\$5,000), a new furnace (\$2,000), and redecoration of the dining room.

The new club professional, John Conley, was introduced to the 50 members at the annual meeting.
